TP-Link TAPO C236 Pan Tilt Indoor / Outdoor Home Security Wi-Fi camera with 4mm lens

Product Overview

TP-Link TAPO C236 Pan Tilt Indoor / Outdoor Home Security Wi-Fi camera with 4mm Lens, IR LEDs 20m Night Vision, 2880x1620 maximum Resolution, 1 x MicroSD card slot (Up to 512GB), Live View, 30 fps Frame rate, H.264 Video Compression, Built-In Microphone and Speaker, Two-Way Audio with noise cancellation, Motion Detection, Person Detection, Vehicle Detection, Baby cry detection, Connect via Wi-Fi 2.4GHz, IP65 weather resistance

Specifications

Overview Summary:

The TP-Link Tapo C236 is a versatile 3K 5MP Wi-Fi security camera designed for reliable indoor and outdoor monitoring. With 360degrees pan and 151degrees tilt coverage, AI-powered person, pet, vehicle and baby cry detection, colour night vision, motion tracking and two-way audio, it helps you keep an eye on your property from anywhere using the Tapo app. IP65 weather resistance ensures dependable performance in South African conditions.

Support for local microSD storage up to 512GB, cloud recording options, and compatibility with Google Assistant and Amazon Alexa make it a practical choice for homes and small businesses. Buy now for dependable smart security or shop now to upgrade your home surveillance system.

Performance tier:Premium

Uses:Home security, indoor monitoring, outdoor surveillance, baby monitoring, pet monitoring, driveway monitoring, entrance monitoring, office security

Overview:

TP-Link Tapo C236 Indoor and Outdoor 3K 5MP Pan Tilt Wi-Fi Security Camera

The TP-Link Tapo C236 is a versatile indoor and outdoor Wi-Fi security camera designed to deliver dependable 24/7 monitoring around your home or business. With crisp 3K 5MP resolution, intelligent AI detection, full pan and tilt coverage, and vivid colour night vision, it provides detailed surveillance in a wide range of environments. Its IP65-rated weather-resistant housing makes it equally suitable for outdoor installations while remaining ideal for monitoring indoor spaces such as nurseries, entrances, garages, and living areas.

Description:

The TP-Link TAPO C236 combines advanced image quality with intelligent security functions to help protect what matters most. Equipped with AI-powered person, pet, vehicle, and baby cry detection, automatic motion tracking, two-way audio, colour night vision, and flexible local or cloud storage options, it offers an easy-to-use surveillance solution for homes and small businesses. The TAPO C236 supports Wi-Fi connectivity, integrates with the Tapo app, and provides complete remote monitoring from virtually anywhere.

Features:

Why Choose the TP-Link Tapo C236

ComX Computers

Product Specification Sheet

Whether installed indoors or outdoors, the Tapo C236 delivers reliable security with high-resolution video and intelligent monitoring. Its 360 degree horizontal pan and 151 degree vertical tilt ensure broad coverage, reducing blind spots while automatically following moving subjects for enhanced awareness.

With built-in spotlights and advanced colour night vision, important details remain visible even after dark, making it suitable for driveways, entrances, gardens, offices, warehouses, and children's rooms.

Clear 3K 5MP Video Quality

Capture sharp, detailed footage with a maximum resolution of 2880 x 1620. High-resolution recording makes it easier to identify faces, vehicles, packages, and other important details while maintaining smooth live viewing at up to 30 frames per second.

Complete Pan and Tilt Monitoring

The motorised pan and tilt mechanism provides extensive viewing coverage across large indoor and outdoor areas.

Key viewing capabilities include:

- 360 degree horizontal rotation
- 151 degree vertical tilt
- Automatic motion tracking
- Continuous monitoring of moving people and pets

Advanced AI Detection Without Extra Subscription

Built-in AI intelligently recognises different events, helping reduce unnecessary notifications while keeping you informed about important activity.

Detection options include:

- Person detection
- Pet detection
- Vehicle detection
- Baby cry detection
- Motion detection
- Automatic subject tracking

You can also customise activity zones and privacy zones, ensuring alerts are only triggered where they matter most.

Reliable Day and Night Protection

The TAPO C236 maintains excellent image quality throughout the day and night. Infrared LEDs provide up to 20 metres of night vision, while integrated spotlights enable vibrant colour recording in low-light conditions.

This combination delivers dependable monitoring around the clock without sacrificing image clarity.

Built for Indoor and Outdoor Installation

Its IP65 weather-resistant construction protects the camera against rain, dust, and changing weather conditions, making it suitable for year-round outdoor use while remaining equally effective indoors.

Flexible installation options include:

- Desktop placement
- Wall mounting
- Ceiling mounting
- Inverted installation

- Pole mounting

Stay Connected with Two-Way Audio

Communicate instantly through the built-in microphone and speaker. Noise cancellation helps improve voice clarity, allowing convenient conversations with visitors, delivery personnel, or family members using the Tapo mobile app.

Flexible Video Storage

Choose the recording method that best suits your needs.

Storage options:

- MicroSD card support up to 512GB
- Optional Tapo Care cloud storage
- Remote playback through the Tapo app

Smart Home Integration

The camera works seamlessly with popular smart home ecosystems, allowing convenient voice control and quick access to live video feeds using compatible smart assistants.

Simple Setup and Remote Management

Installation is straightforward using Bluetooth or Wi-Fi setup through the Tapo app. Once connected, you can view live video, receive notifications, review recordings, and manage camera settings remotely from your smartphone.

Technical Details

- Part Number / SKU: TAPO C236
- 3K 5MP resolution (2880 x 1620)
- 4mm fixed lens
- Up to 30 fps video
- H.264 video compression
- Wi-Fi 2.4GHz connectivity
- Pan: 360 degrees
- Tilt: 151 degrees
- Infrared night vision up to 20 metres
- Colour night vision with built-in spotlights
- Built-in microphone and speaker
- Two-way audio with noise cancellation
- Motion detection
- Person detection
- Pet detection
- Vehicle detection
- Baby cry detection
- Automatic motion tracking
- MicroSD card slot supporting up to 512GB
- Live view via Tapo app
- Local and optional cloud recording
- IP65 weather-resistant housing

Ideal Applications

The TP-Link TAPO C236 is well suited for monitoring:

- Front entrances
- Backyards

ComX Computers

Product Specification Sheet

- Driveways
- Garages
- Offices
- Retail stores
- Warehouses
- Baby rooms
- Living areas
- Holiday homes

The TAPO C236 delivers an excellent combination of intelligent AI monitoring, high-resolution imaging, flexible installation, and reliable indoor and outdoor performance, making it an ideal Wi-Fi security camera for modern home and business surveillance.

Specifications:

CAMERA	
Image Sensor	1/2.7" Progressive Scan CMOS Starlight Sensor
Lens	Focal Length: 4.0mm
	Aperture: F1.6
	Field of View: 105degrees (Diagonal), 88degrees(Horizontal), 46degrees(Vertical)
Night Vision	1 x 850 nm IR LEDs (40 ft / 20 m)
	Full-Color Night Vision1
Day/Night Mechanism	IR-Cut Filter with Auto-Switching
Max. Resolution	2880 x 1620 px
Interface & Button	1 x RESET Button
	1 x microSD Card Slot (Up to 512 GB)
Video and Audio	
Live View	Yes
Frame Rate	30 fps
Video Compression	H.264
Audio Input & Output	Built-in Microphone and Speaker
Audio Communication	Two-Way Audio with Noise Cancellation
STORAGE	
Local Storage	microSD Card Slot on Camera (Up to 512 GB)
Cloud Storage	Tapo Care Cloud Storage Services (Subscription required)
DETECTION and NOTIFICATIONS

Protocol	TCP/IP, DHCP, ICMP, DNS, NTP, HTTPS, TCP, UDP
RTSP	Yes
ONVIF	Yes
Transmission Rate	11b: 11 Mbps
	11g: 54 Mbps
	11n: 72.2 Mbps
SECURITY	
Security	On-Device Machine Learning
	128-bit AES Encryption with SSL/TLS
	WPA/WPA2-PSK
POWER	
Power Source	5 V DC Power Adapter
Input Voltage	100-240 V, 50/60 Hz
Output Voltage	5.0 V, 1.0 A (Type-C Power)
DC Power Connector Size	Adapter: USB A
	Camera: USB Type C
Power Cord Length	2 m
Typical Power Consumption	2.3 W
Maximum Power Consumption	5 W
GENERAL	
Smart Integration	Google Assistant, Amazon Alexa, Samsung SmartThings
Weather Resistance	IP65

ComX Computers

Product Specification Sheet

Mounting Options	Tabletop
	Wall-Mounted
	Ceiling-Mounted
Operating Temperature	-20 °C ~ 50 °C (-4 degreesF ~ 122 degreesF)
Storage Temperature	-40 °C ~ 60 °C (-40 degreesF ~ 140 degreesF)
Operating Humidity	10% ~ 90% RH, Non-condensing
Storage Humidity	0 ~ 90% RH, Non-condensing
Dimensions (W x D x H)	4.15 x 3.06 x 2.75 in (105.3 x 77.8 x 69.8 mm)
Weight	7.76 oz / 220 g
Package Content	Tapo C236 Camera x 1
	Mounting Bracket x 1
	Mounting Template x 1
	Mounting Anchors x 4
	Mounting Screws x 4
	Power Adapter x 1
	2 m USB Adapter Cable x 1
	Quick Start Guide x 1
