TP-Link UA520C Type-C to HDMI 4K 60Hz Adapter

Product Overview

TP-Link UA520C Type-C to HDMI 4K 60Hz Adapter, 100mm Long Braided cable, Aluminum Alloy Case

Specifications

Overview Summary:

The TP-Link UA520C Type-C to HDMI adapter makes it easy to expand your display setup. With support for 4K at 60Hz, this compact and portable adapter connects your USB-C devices to HDMI displays instantly. Its durable aluminum alloy case and flexible 100mm braided cable ensure longevity while keeping your workspace clutter-free. Ideal for laptops, tablets, and smartphones, the UA520C offers universal system compatibility, including MacOS, Windows, iPadOS, iOS, Android, Linux, and Chrome OS. Buy now to enhance your screen experience with seamless plug-and-play convenience.

Compact, durable, and highly versatile, the UA520C is perfect for work or entertainment setups. Shop now and enjoy ultra high-definition video output anywhere. Its flexible design allows easy use with multiple devices, making it a must-have accessory for professionals and tech enthusiasts in South Africa.

Performance tier: High

Uses: Connecting USB-C devices to HDMI displays, 4K video output, portable display setup, MacBook Pro HDMI connection, iPad Pro HDMI connection, Windows and Android device display expansion

Overview:

TP-Link UA520C Type-C to HDMI 4K 60Hz Adapter
The TP-Link UA520C Type-C to HDMI adapter delivers a seamless connection between your USB-C devices and external displays, supporting ultra high-definition video at 4K 60Hz. With its compact design, durable aluminum alloy casing, and flexible 100mm braided cable, this adapter ensures a reliable, high-quality display experience whether at home, in the office, or on the go. Compatible with a wide range of devices and operating systems, it instantly transforms your USB-C port into an HDMI output without requiring any software installation.

Description:

The UA520C adapter allows users to enjoy crystal-clear 4K resolution on larger screens with minimal setup. Its plug-and-play design works with desktops, laptops, tablets, and smartphones that support USB-C with DP Alt Mode. The durable aluminum casing and braided cable reduce interference and withstand regular use, while the compact form factor makes it easy to carry. Ideal for work, entertainment, and presentations, it supports multiple operating systems including Windows, MacOS, iPadOS, iOS, Android, Linux, and Chrome OS.

Features:

Ultra High-Definition Display
Experience stunning 4K video at 60Hz by connecting your device to an external monitor or TV. The adapter ensures smooth visuals for gaming, streaming, and professional applications.

Instant Connection and Broad Device Support
Easily convert any USB-C port into an HDMI output with no drivers or installation required. Compatible with a variety of devices including MacBook Pro, iPad Pro, and other USB-C enabled laptops, tablets, and smartphones.

Flexible Braided Cable
The 100mm braided cable is designed to minimize clutter and interference with other ports, allowing you to use multiple devices simultaneously without compromising space.

Compact and Long-Lasting Design
Crafted with an aluminum alloy case, the UA520C is built to endure daily use while remaining lightweight and portable. Its compact size ensures it can easily fit in a bag or pocket for on-the-go use.

Technical Details

- Connector: 1 USB Type-C
- Interface: 1 HDMI, supports up to 4K@60Hz
- Supported Systems: Windows, MacOS, iPadOS, iOS, Android, Linux, Chrome OS
- Dimensions: 1.96 x 0.89 x 0.41 in (49.7 x 22.5 x 10.5 mm)
- Package Includes: USB Type-C to HDMI Adapter (UA520C), Quick Installation Guide
