Design and Sound Quality

The MH250 earphones combine modern design with ergonomic comfort, ensuring a snug fit during long listening sessions.

ComX Computers

Product Specification Sheet

Each earpiece offers crystal-clear sound with rich bass, providing an immersive listening experience whether you're on a call or streaming music.

Smart Connectivity and Microphone

Using advanced Bluetooth 5.3 technology, the MH250 connects instantly to smartphones, tablets, and other compatible devices. The built-in high-sensitivity microphone delivers clear voice pickup, making conversations natural and hands-free.

Power and Portability

Each earbud includes a 30mAh lithium polymer battery, while the compact charging dock holds an additional 250mAh capacity. The dock can recharge the earphones up to two times, making it perfect for travel or commuting without needing a power outlet.

Technical Summary

- Frequency Range: 2.405GHz - 2.480GHz
- Power Input: DC5V
- Microphone Sensitivity: +/-40dB
- Wireless Type: In-ear Bluetooth earphones
- Charging Box Recharges: Up to 2 times for both earbuds

Why Choose Nesty Blast MH250

These earphones combine modern aesthetics, clear sound, and reliable wireless performance in a portable package. With Bluetooth 5.3 stability, intuitive touch control, and long-lasting battery life, they're ideal for everyday listening, calls, and entertainment.
