UGreen CAT6 UTP Ethernet cable 1m - Yellow

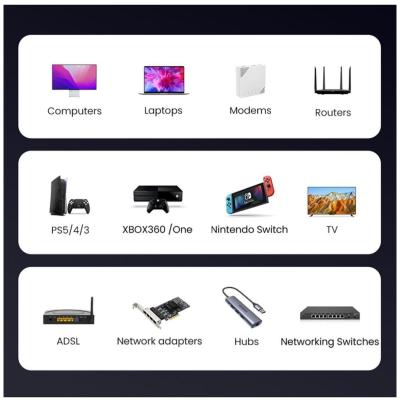

## Product Overview

UGreen CAT6 UTP Ethernet cable 1m - Yellow, 26AWG Copper Clad Aluminium conductors, Gold-Plated RJ45 connectors, Snag-less moulding

## Specifications

### Overview Summary:

The UGREEN Cat6 UTP Ethernet Cable 1m is a dependable choice for creating fast and stable wired network connections in your home or office. Its gold-plated RJ45 connectors and Cat6 performance support Gigabit Ethernet speeds, making it ideal for connecting computers, routers, switches, gaming consoles, and smart TVs over short distances. Buy now for a reliable networking solution that delivers consistent performance every day.

Designed for convenient desktop and rack installations, this 1 metre Ethernet cable features snag-less connectors for easy handling and durable everyday use. Shop now and enjoy a quality wired connection for streaming, gaming, file transfers, and general networking needs.

**Performance tier:**Mid-range

**Uses:**Connecting PCs, laptops, routers, network switches, modems, smart TVs, gaming consoles, desktop networking, home networks, office networks

### Overview:

**UGREEN Cat6 UTP Ethernet Cable 1m Yellow**
The UGREEN Cat6 UTP Ethernet Cable is a practical solution for creating a fast and reliable wired network connection over short distances. With its 1 metre length, it is ideal for connecting devices positioned close together, such as desktop PCs, laptops, routers, switches, modems, smart TVs, gaming consoles, and network storage devices. Supporting Gigabit Ethernet speeds of up to 1000Mbps and a bandwidth of 250MHz, this Cat6 cable delivers dependable performance for streaming, online gaming, file transfers, and everyday networking. Its 8-core twisted-pair construction helps minimise interference and crosstalk, while snag-less gold-plated RJ45 connectors make installation easy and protect the connector clips from damage.

### Description:

Designed for stable, high-speed networking, the UGREEN Cat6 Ethernet Cable provides dependable wired connectivity for both home and office environments. The durable construction combines 26AWG copper clad aluminium conductors with gold-plated RJ45 connectors to ensure consistent signal quality and reliable data transmission. Its bright yellow finish also makes cable identification easier in busy workspaces or network cabinets. Whether you are upgrading your desktop setup or organising a compact network installation, Part Number NW102-15859 offers an efficient and reliable networking solution.

### Features:

**Performance Highlights**

- Supports Cat6 U/UTP networking standards
- Delivers Gigabit Ethernet speeds up to 1000Mbps
- 250MHz bandwidth for smooth and stable data transmission
- 8-core twisted-pair design helps reduce interference and crosstalk
- Snag-less RJ45 connectors protect locking clips during installation
- Gold-plated contacts help maintain a reliable connection
- Ideal for short-distance desktop and rack-mounted network connections

**Technical Details**

- Part Number / SKU: NW102-15859
- Cable Type: Cat6 U/UTP Ethernet Cable

- Connector A: RJ45
- Connector B: RJ45
- Wiring Standard: 568B
- Conductor: 26AWG Copper Clad Aluminium
- Cable Length: 1 metre
- Maximum Data Speed: 1000Mbps
- Bandwidth: 250MHz
- Connector Finish: Gold-Plated
- Colour: Yellow
- Braided Cable: No

**Ideal Applications**

This Cat6 Ethernet cable is well suited for connecting desktop computers, laptops, routers, switches, modems, smart TVs, gaming consoles, printers, and NAS devices where a dependable 1 metre network cable is required. The compact length helps reduce cable clutter while maintaining fast and stable Gigabit network performance.

**Package Contents**

- UGREEN Cat6 UTP Ethernet Cable 1m Yellow x1
