OKI-01288901

Oki C801dn A3 Colour Laser Printer, Duplex and Network Ready

Product Overview

Oki C801dn A3 Colour Laser Printer, Duplex and Network Ready, 10 seconds colour/9.5 seconds mono Time to first print, PowerPC405 200MHz Processor speed, Hi-Speed USB, 10/100-TX Ethernet, Windows/Mac Host Based Printing System, ProQ2400 Multi-level technology, 1200 x 600dpi Resolution.

Specifications

Overview:

C801 overview rightIntroducing the ideal solution for workgroups that print mostly A4 documents - letters, emails, reports, proposals, and so on - but also want the convenience of A3 whenever they need it.

The C801 delivers high quality colour and black & white documents, at speeds fast enough to satisfy small to medium-sized teams, at a highly affordable price. What's more, unlike most A3-capable printers, it takes up surprisingly little office space - significantly less than any comparable A3 printer.

Features:

One printer does it all
The fact is that most people print in A4 most of the time. But some documents, such as posters and large charts, diagrams and spreadsheets, are much easier to understand if they're printed twice that size. With the C801 there's no need to buy a dedicated, bulky A3 printer and no need to pay for the services of a high street print shop. One printer does it all.

Printing with style
Whatever you're printing, colour or black & white, A4, A3 or some other size, single or double-sided, you can depend on OKI's specially developed High Definition toner and image drum to deliver fine detail and vibrant colour and a stylish glossy finish.

Rapid print speeds
Not only can the C801 can print all your routine black and white A4 documents at speeds of up to 32 pages per minute (ppm), but it performs at an impressive 22 ppm in full colour. Even in A3, it still prints at a highly capable 17 ppm in black and white and as fast as 12 ppm in colour.

Excellent colour made easy
You don't need for any special skills or training to get the best out of your C801. An automatic self-calibration feature means

that the last page you print looks just as good as the first. It has ProQ2400 Multi-level output quality with 1200 x 600 dpi print resolution for smoother shades, and there's even a Photo Enhance setting for printing sharp, photo-like pictures at a click of the mouse.

True versatility
Your team can do so much more with the C801. Documents can be any size from A6 postcards, right the way up to A3 and beyond to 1.2 metre banners. It handles paper weights from as light as 64 to as heavy as 220 gsm, and it has a standard 400-sheet paper capacity that can be expanded 1,460 sheets for more printing with fewer interruptions.

Proven reliability
Because the C801 uses ultra-reliable digital LED technology with fewer moving parts, it's tough enough to withstand the heaviest workloads. It is this, plus a robust design, flat paper path and high quality components chosen for their durability, which lets us include a full three-year warranty as standard.

Green credentials
The C801 has the option of automatic two-sided printing, helping people to reduce paper usage and saves money. A useful Power Save function helps to reduce energy consumption, and toner cartridges which last for around 7,000 pages each mean less waste and packaging.

Specifications:

Printer	
Model	C801dn
A4 Print speed	22ppm colour; 32ppm mono
A3 Print speed	12ppm colour; 17ppm mono
Time to first print (TTFP)	10 seconds colour; 9.5 seconds mono
Warm up time	Up to 90 seconds from power on and up to 75 seconds from power save
Processor speed	PowerPC405 200 MHz
Interface and Software	
Connectivity	Hi-Speed USB, 10 / 100-TX Ethernet
Printer language	Windows / Mac Host Based Printing System
OS Compatibility	Windows 2000 / XP Home / XP Professional / XP Professional x64 / Server 2003 / Server 2003 x64 / Vista (32-bit) / Vista (64-bit) / Server 2008 / Server 2008 for x64; Mac OS X PowerPC 10.3.0 or greater / OS X Intel 10.4.4 or greater including OS X 10.5
Utility suite	Color Correct, OKI LPR, PrintSuperVision.net, PrintSuperVision Multiplatform, Swatch Utility, Template Manager, Web Driver Installer, Print Control Server, Print Control Client, Print Control Report tool, Color Access Policy Manager
Print quality	
Resolution	ProQ2400 Multi-level technology, 1200 x 600 dpi
Enhancements	Auto color balance, Photo enhance via Driver
Paper Handling	
Paper capacity	Tray 1: 300 sheets of 80gsm; Multi-purpose tray: 100 sheets of 80gsm
Paper capacity optional	tray Tray2: 530 sheets of 80gsm; Tray 3: 530 sheets of 80gsm
Maximum paper capacity	1460 sheets of 80gsm

Paper sizes	Tray 1: A3, A4, A5, A6, B4, B5; Tray 2/3: A3, A4, A5, A6, B4, B5; Multi-purpose tray: A3, A4, A5, A6, B4, B5, A6; 10 envelopes (Com-9, Com-10, DL, Monarch, C5); Labels (Avery 7162, 7664, 7666), Custom size (up to 1200mm length including banner); Duplex: A3, A4, A5, A6, B4, B5; Custom size: Width 148.5-297mm Length 182-431.80mm
Paper weight	Tray 1: 64 to 120gsm; Tray 2/3: 64 to 176gsm; Multi-purpose tray: 64 to 220 gsm; Duplex: 64 to 105gsm
Duplex	Standard: C801dn
Paper output	250 sheets face down, 100 sheets face up, 80gsm
General Features	
Memory (RAM)	Standard RAM: 128MB; Maximum RAM: 128MB
Operating temperature/ humidity	10 degreesC to 32 degreesC (17 degreesC to 27 degreesC recommended)/ 20% to 80% RH (50% to 70% RH recommended)
Storage temperature/ humidity	-10C to 43C, 10% to 90% RH
Power supply	Single phase 220 to 240VAC; Frequency 50/60Hz +/- 2%
Power consumption	Typical: 570W; Max: 1350W; Idle 200W; PowerSave:
Noise level	Operating: Up to 54dB(A)or less, Standby: 37dB(A)or less, Power save: Background Level
Dimensions (HxWxD)	C801dn: 345 x 485 x 634mm
Weight	C801dn: 40kg (approx including all consumables)
Duty cycle (Maximum)	75, 000 pages / month
Duty cycle (Recommended)	1, 500 to 5, 000 pages / month
