

P12R ARGB WHT

Antec P12 PWM 120mm ARGB Reverse Case fan - White

Product Overview

Antec P12 PWM 120mm ARGB Reverse Case fan - White, ARGB PWM fan, Hydraulic bearing, 61.46 CFM Airflow, 4 pin fan connector, 3 pin LED connector

Specifications

Overview:

Antec P12 PWM 120mm ARGB Reverse Case Fan - White

The Antec P12R ARGB 120 PWM Case Fan combines innovative design, powerful performance, and vibrant aesthetics to elevate your PC's cooling and style. Featuring a reverse fan blade design, it delivers smoother air intake while presenting a cleaner, more streamlined appearance. With its 9-blade structure, the fan ensures efficient ventilation and robust airflow, even under high air resistance, maintaining superior cooling performance for demanding gaming and workloads.

Dynamic ARGB lighting adds a stunning visual dimension, offering a full spectrum of customizable colours to match any gamer's setup. The vibrant illumination brings your build to life, making it a standout centrepiece for any rig. This fan also supports precise PWM control, allowing users to fine-tune their ideal balance of low noise and high performance, with a speed range from 600 to 1500 RPM.

Engineered for quiet operation and durability, the P12R features hydraulic bearings and eight anti-vibration rubber pads, which reduce noise and minimize vibrations during operation. With a noise level as low as 14.2 dB(A) and a maximum of just 29.5 dB(A), this fan delivers efficient cooling without compromising your system's acoustic profile. Its long lifespan of up to 40,000 hours at 25 degrees C ensures reliable and consistent performance over time.

Designed with both performance and convenience in mind, the Antec P12R ARGB 120 PWM Fan is equipped with a 4-pin PWM connector for fan control and a 3-pin connector for ARGB lighting synchronization. Whether you're optimizing cooling for intense gaming sessions or enhancing your build's aesthetic appeal, this fan provides an exceptional combination of functionality, style, and quiet efficiency.

Features:

- 9-blade for superior heat dissipation
- Dynamic ARGB lighting
- Hydraulic bearing fan for long-lasting performance
- 8 x Vibration-absorbing & anti-noise pads for quiet operation

WHAT'S IN THE BOX:

- Antec P12R ARGB 120 PWM Case Fan - White x1

Specifications	
Product Code	P12R ARGB WHT
Fan Type	ARGB PWM Fan
Bearing Type	Hydraulic Bearing
Fan Speed	600+/-100~1500+/-150 RPM
Airflow	55.31~61.46 CFM (max.)
Air Pressure	0.87~1.07 mm H2O (max.)
Fan Noise Level	14.2~29.5 dB(A)

ComX Computers

Product Specification Sheet

Lifespan	30,000 hours / 40 degreesC , 40,000 hours / 25 degreesC
Connector	FAN: 4-pin , LED: 3-pin
Rated Voltage	FAN: DC 12 V , LED: DC 5 V
Operation Voltage	FAN: DC 7.0-13.8 V
Rated Current	FAN: 0.15 A (0.22A (max.)) , LED: 0.3 A
Colour	White
Product Dimensions	12 x 12 x 2.5 cm
