

## PA420SCX-C

Targus Defcon Serialized Double Lock Combo

### Product Overview

Targus 2.1m in length, 4mm in Diameter; Galvanised steel cable. Attach to PC, notebook, projector or monitor with a SLA slot integrated. 10 000 User-settable combinations; Security base plate for alternative locking included;

### Specifications

#### Overview:

The Targus DEFCON SCL Serialized Combination Double Cable Lock is two serialized locks with a pre-set combination. This Targus laptop security product finally provides a computer security solution for complete asset protection. The DEFCON Serialized Combination Double Cable Lock has two 1.12m cut-resistant, galvanized steel cables that loop around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON SCL features a pre-set combination lock in which your IT Manager has access to all combinations. The DEFCON SCL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.

#### Features:

- Similar to the PA410C, but serialized (has serial numbers on it), has two cables and lock heads with a pre-set 4 digit combination and is sold in multiples of 25
- Two 1.12m galvanized steel cables(2.24m total length)
- Easily attaches to any laptop computer equipped with a lock slot
- Includes security base plate anchor for additional locking solutions
