MSI PCBuilder AMD Ryzen 5 5500 Scout Windows 11 Gaming PC

Product Overview

MSI PCBuilder AMD Ryzen 5 5500 Scout Windows 11 Gaming PC, AMD Ryzen 5 5500 6-core 3.6GHz AM4 CPU, MSI A520 Chipset AM4 mATX Motherboard, Patriot 16GB DDR5 3600MHz Gaming Memory kit, MSI Geforce RTX 3050 6GB GDDR6 Graphics card, Crucial Gen3 1TB NVMe Solid State Drive (SSD), 550W Modular Gold PSU, PCBuilder protector mATX Gaming Chassis, Microsoft Windows 11 Home

Specifications

Overview:

Take your gaming to the next level with the PCBuilder AMD Ryzen 5 5500 SCOUT Windows 11 Gaming PC. Equipped with the powerful 5th generation AMD Ryzen 5 5500 processor, featuring 6 cores and clock speeds up to 4.2GHz, this gaming rig ensures smooth and fast performance for all your gaming and multitasking needs. Combined with the MSI A520 chipset motherboard, 16GB of high-speed Patriot DDR4 gaming memory, and an MSI 6GB RTX 3050 graphics card, this PC is built for high-speed gaming, offering exceptional reliability and efficiency.

Patriot's 16GB of DDR4 3600MHz gaming memory ensures that the PCBuilder SCOUT Windows 11 Gaming PC ensures lightning-fast load times and seamless multitasking. The MSI GeForce 6GB RTX 3050 Graphics Card brings stunning visuals, allowing you to enjoy your favourite games in high detail. With a Timespy score of over 6000 points, this excellent gaming option is great for many game releases. Experience immersive gameplay experiences in games like Call of Duty Modern Warfare 3 (3DMark FPS: 110), Diablo IV(3DMark FPS: 120), and Forza Horizon 5 (3DMark FPS: 110).

Featuring a spacious Crucial 1TB Gen3 NVMe solid-state drive (SSD), you'll have plenty of room to store all your games and media, while experiencing ultra-fast data transfer and load times. Powering the system is a 550W power supply, designed for efficiency while ensuring your setup has reliable and stable power.

All of these components are housed in the futuristic PCBuilder PROTECTOR mATX Gaming Chassis with a sleek, tempered glass side panel, showcasing your powerful built-in style. Plus, with WiFi support, you can enjoy fast and reliable internet without the hassle of cables. Whether you're a serious gamer or a content creator, the PCBuilder Ryzen 5 5500 SCOUT Gaming PC gives you the speed, power, and style you need to excel in any challenge.

The SCOUT comes pre-installed with Windows 11 which has easy-to-use tools that can help you optimise your screen space and maximise your productivity. It features great tools like Microsoft Edge, the new and improved Microsoft Store, Snap Layouts to arrange your open windows into grids, Desktops for better organisation, as well as Widgets. Gaming is also now

easier than ever, simply turn on your PC & game from day one.

The PCBuilder SCOUT Windows 11 Gaming PC also includes one month of PC Game Pass including EA Play. Play over 100 high-quality PC games, in various genres such as Halo Infinite, Forza Horizon 5, and Minecraft on your new gaming rig. With new games added all the time, there's always something new to play from day one.

The PCBuilder AMD Ryzen 5 5500 SCOUT Windows 11 Gaming PC comes with a 1-year subscription to award-winning antivirus protection from Norton. Norton 360 Deluxe is designed to protect your connected device as well as your personal information and offers more powerful layers of protection from ever-changing threats. It can protect your PC from viruses, ransomware, malware, and other online threats while you bank, shop and browse the internet.

Built in-house by our experienced technicians, each build is constructed with care and precision. They're packaged with protective foam that secures the components while in transit, so every build arrives at its destination ready to game from day one.
