Performance tier: Standard performance

Uses: Charging Huawei Watch 2 Pro, Huawei Watch 2 Sport, Huawei Watch 2 Classic, home or office charging solution, convenient USB charging.

Overview:

Microworld charger for Huawei Watch 2 Pro, Magnetic charging cradle, Dock with a USB Type-A cable attached

The Huawei Watch 2 Pro PCH uses a dedicated magnetic cradle designed to align with the watch's rear charging pins. The circular dock holds the watch securely while delivering a stable power connection.

Description:

This magnetic charging dock offers a simple drop-in design, a built-in USB Type-A cable, and reliable 5V charging support. It is created for users who want a dependable replacement charger that pairs smoothly with the Huawei Watch 2 lineup while remaining easy to use at home, at work, or while travelling.

Features:

About this charging dock

This dock is shaped to match the Huawei Watch 2 Pro and keeps the watch in place through a magnetic attachment. The watch connects through two charging pins positioned on the cradle.

Power details

Input is recommended at 5V/1A from a laptop, PC, or USB wall adapter.

Device matching

Compatible with Huawei Watch 2, Huawei Watch 2 Pro, and Huawei Watch 2 Sport or Classic. These chargers typically work across the full Watch 2 range.

Not suitable for other models

Not compatible with newer Huawei lines such as the Watch GT series, GT 2 Pro, or Band models due to different connector types.
