Overview:

Patriot iLuxe Cube 128GB Smart Backup Solution for iPhone & iPad

Enjoy effortless data management and security with the Patriot iLuxe Cube 128GB. This cutting-edge smart backup solution for iPhone and iPad is designed to simplify the backup process while charging your device. With no apps, no buttons, and no interruptions, your data will automatically be backed up without disrupting your daily routine.

Description:

The Patriot iLuxe Cube offers an intuitive and reliable way to back up your data while ensuring it remains secure and easily accessible. With its 128GB capacity and USB 3.2 Gen1 Type-C interface, this device offers high-speed transfer rates of up to 5Gbps. It features H2+ industrial-grade memory for enhanced data reliability and precision. The backup system intelligently stores only new or modified content, saving space and avoiding duplicates. Ideal for families, the iLuxe Cube organizes backups by iPhone ID, preventing mix-ups between users. It supports USB Type-C PD fast charging up to 30W, so your devices can stay powered while backing up in the background.

Features:

Key Benefits of the iLuxe Cube:

- Effortless Backup & Restore:Automatically backs up new or changed images, videos, and contacts without interrupting your usage.
- Privacy-First with Trust Circle:Unique technology to ensure your data is kept secure and shared only with selected users.
- Seamless Compatibility:Works effortlessly with iPhones, iPads, Macs, and Windows devices.
- Compact & Portable:Its lightweight design and small size make it easy to carry and store.
- Fast Charging:Charges your devices with PD fast charging while managing backups simultaneously.

Enhanced Backup for All Your Devices

The Patriot iLuxe Cube offers a practical solution for households with multiple Apple devices. Each iPhone ID gets its own dedicated folder, ensuring that all backups remain organized and secure. This eliminates the need for manual sorting and avoids data confusion between family members. Its seamless plug-and-play functionality means you won't need additional software or subscriptions, making it an easy-to-use solution for everyone.

USB-C Charging & Fast Transfer Speeds

Equipped with USB Type-C compatibility, the iLuxe Cube provides fast data transfer speeds of up to 5Gbps, ensuring that your data is quickly and efficiently backed up. Plus, it supports PD fast charging up to 30 watts, so you can charge your devices while backing up without slowing down.

Compatibility & System Requirements

- iOS: Version 12 and above
- macOS: Version 10.x and above
- Windows: XP and above
- Interface: USB 3.2 Gen1 Type-C
- No app or software required

Compact Design for Easy Portability

The iLuxe Cube is incredibly small (4.4 x 2.7 x 2.3 cm) and lightweight (15g), making it the perfect travel companion. Whether you're at home or on the go, you can ensure your data is safely backed up and your devices are charged.

What's Included in the Box:
