- 1TB smart backup for iPhone and iPad
- Automatic backup while charging-no apps or buttons
- Embedded H2+ memory ensures full restoration of original file format, resolution, date, time and location
- Trust Circle technology with individual folders per iPhone ID
- MFi certified and supports USB-C PD fast charging to 30W

Overview:

Experience hassle-free, automatic data protection with the Patriot iLuxe Cube 1TB, the ultimate smart backup solution for your iPhone and iPad. Designed to simplify and secure your digital life, the iLuxe Cube seamlessly backs up your photos, videos, and contacts while you charge your device-no apps to manage, no buttons to press, and no interruptions to your daily routine.

Equipped with H2+ industrial-grade embedded memory, the iLuxe Cube ensures all files are backed up with precision and reliability. Whether it's your latest family vacation or professional contacts, every piece of data is 100% restored with its original file format, resolution, date, time, and even geolocation. Its intelligent backup system only saves new or changed data-eliminating unnecessary duplicates and maximizing the Cube's 1TB capacity.

Ideal for households with multiple devices, the iLuxe Cube automatically creates individual backup folders for each connected iPhone ID. There's no risk of mixing up data between users, and no manual sorting required-making it a perfect solution for families. Plus, Patriot's exclusive Trust Circle technology puts privacy first, allowing users to define who can access or share data across devices.
