Specifications

Overview:

Patriot iLuxe Cube Smart Backup Solution For iPhone/iPad

SKU:PI256GCUW30C

The Patriot iLuxe Cube is the auto-back up solution for your mobile devices! Made for ultimate convenience, you can now charge your iPhone or iPad while the iLuxe Cube backs up any new contacts, photos, and videos at the same time. To ensure no space is wasted, the iLuxe Cube will only back up content that has not already been loaded on it. Additionally, one cube is enough for a whole family! Multiple devices can be backed up without any crossover or confusion, as the iLuxe Cube creates an individual folder for each iPhone ID.

The iLuxe Cube is designed with H2+ industrial-grade embedded memory, making all data backups guaranteed. Created to provide excellency, all videos and images are always 100% restored so you can save and visit them without there being any differences in quality. To safeguard content and memories, this device comes with a trust circle for enhanced data security, letting the user control which data can be shared. The Patriot iLuxe Cube is compatible with iOS12 or above, Mac10x or above, and Windows XP or above.

Features:

- USB 3.2 Gen1 Type-C 5Gbps
- H2+ industrial-grade memory embedded. Backup data guarantee.
