Specifications

Overview summary:

Patriot iLuxe Cube 256GB is the ideal smart backup solution for South African iPhone and iPad users seeking effortless and secure photo, video and contacts protection while charging. With automatic background backups using USB-C PD fast charging up to 30W and Apple MFi certification, it delivers reliable performance, compact design and family-friendly multi-device support.

Product type tier: Ultimate smart backup tier
Uses: Automatic charging and backup for iPhone and iPad content

- 256GB storage with H2+ industrial-grade embedded memory
- Automatic background backup while charging via USB-C PD up to 30W
- Individual backup folders per iPhone ID with Trust Circle control
- Apple MFi certified plug-and-play operation-no apps needed

Overview:

Experience hassle-free, automatic data protection with the Patriot iLuxe Cube 256GB, the ultimate smart backup solution for your iPhone and iPad. Designed to simplify and secure your digital life, the iLuxe Cube seamlessly backs up your photos, videos, and contacts while you charge your device-no apps to manage, no buttons to press, and no interruptions to your daily routine.

Equipped with H2+ industrial-grade embedded memory, the iLuxe Cube ensures all files are backed up with precision and reliability. Whether it's your latest family vacation or professional contacts, every piece of data is 100% restored with its original file format, resolution, date, time, and even geolocation. Its intelligent backup system only saves new or changed data-eliminating unnecessary duplicates and maximizing the Cube's 256GB capacity.

Ideal for households with multiple devices, the iLuxe Cube automatically creates individual backup folders for each connected iPhone ID. There's no risk of mixing up data between users, and no manual sorting required-making it a perfect solution for families. Plus, Patriot's exclusive Trust Circle technology puts privacy first, allowing users to define who can access or share data across devices.

Backed by Apple MFi certification, the iLuxe Cube supports USB-C PD fast charging up to 30W, ensuring your device powers up while your data is securely backed up in the background. Its compact size (just 4.4 x 2.7 x 2.3 cm) and featherlight weight (15g) make it perfect for travel or bedside use.

Compatible with iOS 12 and above, macOS 10.x+, and Windows XP and above, the iLuxe Cube offers a plug-and-play backup experience that fits right into your digital ecosystem-without any subscription fees or software installation.

Features:

- Capacity: 256GB
- USB 3.2 Gen1 Type-C 5Gbps
- H2+ industrial-grade memory embedded. Backup data guarantee.
