Performance tier:Premium

Uses:External storage, fast backup, video recording storage, iPhone and iPad file expansion, portable data transfer

Overview:

Patriot iLuxe Stick C 256GB USB 3.2 Gen 1 Type-C + Lightning - Expand Your iPhone and iPad Storage

The Patriot iLuxe Stick C is a versatile external storage solution designed specifically for iPhone and iPad users. With USB 3.2 Gen 1 Type-C and Lightning connectors, it offers fast 5Gbps transfer speeds, making it easy to manage your photos, videos, and important files on the go.

Features:

Key Features of the Patriot iLuxe Stick

- Available in capacities ranging from 128GB up to 1TB to fit your storage needs
- Dual interface: USB 3.2 Gen 1 Type-C and Lightning for seamless compatibility with iPhone, iPad, Mac, and Windows devices
- Supports on-the-go video recording, allowing you to save videos directly onto the stick while filming
- Automatically backs up photos, videos, contacts, and files in the background so you can multitask without interruption
- Uses exclusive Trust Circle technology to keep your data secure and protected
- Ensures 100% recovery of original data, preserving date, time, location tags, and file formats exactly as they were
- Smart backup system only copies new content not already stored on the device, saving time and space
- Built with H2+ industrial-grade embedded memory for reliable, long-lasting storage
- Apple MFi certified, guaranteeing full compatibility with iOS 12 or later, macOS 10.x or later, and Windows XP or newer

Why Choose the Patriot iLuxe Stick for Your iPhone or iPad

If you often run out of storage space when capturing photos and videos, the Patriot iLuxe Stick offers a convenient and cost-effective solution. Its compact design lets you carry additional storage wherever you go, giving you peace of mind that your precious memories and important files are safely backed up.

Content creators and everyday users alike benefit from its ability to record videos directly to the device, freeing up your iPhone or iPad storage in real time. The background backup technology means you don't have to pause your work or entertainment during the process.

The device's advanced security features and industrial-grade memory ensure your data stays safe and accessible when you need it. Plus, with Apple MFi certification, you're guaranteed smooth operation across your Apple devices.

Compatible Devices and System Requirements

iPhone and iPad running iOS 12 or later

ComX Computers

Product Specification Sheet

- Mac computers with macOS 10.x or later
- Windows PCs with Windows XP or newer

The Patriot iLuxe Stick C is the perfect portable storage accessory for users who want fast, reliable, and secure backups with the flexibility of dual connectors and impressive transfer speeds. Never worry about losing important files or running out of space again.
