

PLW120

Esquire Pull Up Projector Screen 120 X 68

Product Overview

Esquire Pull Up Projector Screen 120 X 68

Specifications

Overview:

The Esquire PLW120 Scena Pull Up Floor standing Projector Screen 1.2m X .0.68m (54 inches) Wide Screen 16:9 format is an interesting mobile solution and a perfect platform to create your very own Home Theatre Experience or Business Presentation Screenings. It is also ideal for PC-based presentations and general purpose video use in a small room. The PVC Matte White screen offers a gain factor of 1.2 (Low light Reflection Rating) making this suitable for LED, LCD and DLP projectors. The high-quality screen offers an aspect ratio of 16:9 for wide screen viewing.

The 1.2m x 0.68m (54 inches) floor standing PullUp projection screen is mounted on a height adjustable frame which can be fully retracted into a handy, compact carry system making this easy for transportation and storage. It is ideal for use in the home and on the move - the floor standing/freestanding feature of the product means the product can go just about anywhere, without the need for tools and damaging the walls with screws and hooks. This screen is a suitable size for transport in most cars

Features:
