Microworld TX-FS01 Folding ciruclation fan

Product Overview

Microworld TX-FS01 Folding ciruclation fan, 4 Speed gear Switch, 9W Max Power, 2-3 hour charging time, 3-6 hour usage time, 120 degrees shaking head, Oscillating, Timed shutdown

Specifications

Overview Summary:

The Microworld TX-FS01 Folding Circulation Fan offers a compact and versatile solution for cooling your space efficiently. Its portable design and folding structure make it easy to move and store, while the four-speed airflow and 120-degree oscillation ensure even air distribution. Perfect for home, office, or travel, this fan combines convenience with long-lasting performance thanks to its rechargeable battery that powers up in just 2-3 hours for 3-6 hours of use. Shop now to enjoy a quiet, energy-efficient breeze wherever you need it.

Ideal for anyone seeking a reliable, portable cooling option, the TX-FS01 also features a timed shutdown function for added energy savings and ease of use. Buy now to bring comfort and convenience into your daily life with this compact circulation fan.

Performance tier:Mid-range

Uses:Home cooling, office cooling, travel companion, personal comfort, energy-efficient ventilation

Overview:

Microworld TX-FS01 Folding Circulation Fan

The Microworld TX-FS01 is a versatile folding circulation fan designed to provide a comfortable breeze wherever you need it. Compact, portable, and easy to store, this fan combines efficient cooling with practical features, making it perfect for home, office, or travel use.

Description:

This portable fan offers four adjustable wind speeds, a 120-degree oscillating head, and a gentle airflow for quiet, effective cooling. With a rechargeable battery that charges in just 2-3 hours and provides 3-6 hours of usage, it is ideal for long-lasting

comfort. The fan also includes a timed shutdown function, making it convenient and energy-efficient.

Features:

Compact Design for Easy Storage

The folding design of the TX-FS01 allows it to be easily stored when not in use. Its lightweight and portable structure make it perfect for moving between rooms or taking on trips.

Adjustable Airflow and Quiet Operation

With a four-speed gear switch, you can customize airflow from gentle to strong depending on your needs. The fan operates quietly, making it suitable for bedrooms, offices, or study areas without causing disruption.

Wide Oscillation for Efficient Cooling

The 120-degree oscillating head ensures air is evenly circulated across the room. This feature helps maintain a consistent cooling effect and reduces hotspots in your space.

Convenient Rechargeable Battery

Equipped with a 9W maximum power motor, the fan charges in just 2-3 hours via a standard 5V-2A input. Once fully charged, it provides 3-6 hours of continuous use, giving you flexibility without constant recharging.

Timed Operation for Energy Efficiency

Set the fan to run for a specific period with the timed shutdown feature. This ensures comfort while conserving battery power and reducing unnecessary energy use.

Product Dimensions and Technical Details

- Model: TX-FS01
- Power: 9W max (5W working)
- Charging time: 2-3 hours
- Usage time: 3-6 hours
- Oscillation: 120 degrees
- Air speed: 4 adjustable gears
- Noise level: Low
- Charging voltage: 5V-2A
- Package size: 208 x 140 x 205mm
