Product Overview

Prestigio MultiPad 7.0 Rider 3G 7.0" LCD, 1024x600, 8GB, Android 4.2.2, DC1.3GHz, Dual Core GPU, 1G RAM, 4000mAh Battery, 0.3MP Front Camera, microUSB, Bluetooth, GPS, WiFi, 3G, Black Retail

Specifications

Overview:

Enjoy digital world on-the-go with the new Prestigio MultiPad Rider 7.0 3G designed for people following a dynamic lifestyle. Take it with you wherever you go thanks to a highly portable 7.0-inch format - listen to the music when you are going to work, watch movies on the plane, read books in a café, chat with friends during your coffee break, shop online on the couch or show pictures at a friend's house. A high resolution provides a pleasant viewing experience while a Dual core processor ensures a reliable performance. Have all your media files with you at any time with 8GB of storage built-in and stay connected to everything you like on-the-go with a fast 3G internet. Use Bluetooth for fast data exchange between devices, make phone calls and send messages, as well as video calls via the webcam. When you are on the road, this MultiPad will guide you on the right way with its built-in GPS receiver. And a powerful battery life will provide you with long working hours. Running an intelligent Android OS, it already comes preinstalled with many useful apps as well as Google apps and Google play with more than 1,000,000 apps to choose from. To compliment your MultiPad, it comes in a luxury gift box.

Features:

Crystal View
A 7.0-inch display with a resolution of 1024x600 pixels provides a crystal clear view while a highly portable format lets you take it with you wherever you go, as it can even fit in a purse.

Double Performance
Dual core processor ARM Cortex A7 1.3GHz powered by MediaTek MT8312 increases speed and gives a higher performance at lower energy, allowing you to easily accomplish everyday tasks.

Entertainment
A graphic card Mali 400MP in combination with 1GB of RAM allows you to watch movies at Full HD 1080p and play the most dynamic games in 3D. This Prestigio MultiPad comes preloaded with the most popular games such as Hills of Glory 3D, 2020: My Country, games for kids and other entertaining apps including NARR8 and Megogo.net (availability of apps varies by model/region).

Beyond Smart
Running an intelligent and beautiful Android 4.2 Jelly Bean, you can enjoy all the benefits of Android devices. This Prestigio MultiPad also comes with many useful apps preinstalled for a better out of the box experience. Among them you will find a popular Prestigio eReader that offers a choice of more than 900,000 eBooks in 25 languages with 30,000 eBooks for free, as well as other applications for your life, business, education and entertainment. It has a collection of children's apps too.

Capacious
Take all your media files with you with 8GB and up to 32GB with an additional memory card. You can connect your USB too. With Prestigio MultiCloud, you get 200GB of cloud storage accessible anywhere anytime.

Stay in Touch
While away, stay in touch with your friends, family and business partners thanks to the front web camera for video calls and preloaded social networks such as Facebook, Twitter or Vkontakte (availability of apps varies by model/region).

Fast Connection
Enjoy the internet anywhere anytime with the high speed 3G connection of up to 21Mbps/5.76Mbps download/upload speed, providing fast access to everything you need on-the-go. Insert your SIM card and you can make phone calls and send messages.

Wireless
Featuring Bluetooth, you can easily exchange data or connect wireless devices for more convenience such as wireless

headphones while you are exercising in the gym.

Navigation
Take your MultiPad with you on your trip as it can also serve you as a GPS navigator having a built in GPS-receiver and the preinstalled Navitel Navigator app.

Long Battery Life
A powerful battery of 4000mAh provides you with long working hours on one charge. Thanks to Dual Core technology, the battery also works more efficiently giving with less energy consumption. Despite the high battery capacity, the tablet is still light and slim.

Prestigio Services
To keep your device updated, automatic over-the-air updates (OTA) will provide you with the latest firmware available, while the Prestigio MultiStore will offer you a catalogue with selected free and pre-paid applications which are offered on terms to Prestigio users with up to 70 EUR of savings and will suggest apps compatible with your MultiPad for Life, Business and Entertainment.
