Specifications

Overview:

An ultra-thin aluminum body composed in a sharp and edgy design with a diamond cut for a luxury and modern look - the new Prestigio MultiPad 4 Diamond 7.85. As perfect as a diamond inside and out, it features a bright 7.85-inch IPS display, a fast Quad Core ARM Cortex A9 at 1.6GHz processor powered by Rockchip, as well as a Quad core graphic card and intelligent Android 4.2 Jelly Bean with many apps already preinstalled creating the ultimate multimedia experience.

The Prestigio MultiPad 4 Diamond 7.85 features two cameras - a front webcam for video calls to stay in touch with friends, family and business partners, wherever you are in the world and a rear camera for taking photos and recording short videos of special moments in your life. To store all of your collection it offers 16GB or 32GB of internal storage and the possibility to expand it with an additional 32GB via memory card. Stay connected to everything you may need with high speed WiFi. A powerful battery of 4700mAh with the possibility to charge via the microUSB port ensures long lasting working hours.

Features:

Amazing View
Enjoy a remarkably crisp and bright view on a comfortable 7.85-inch IPS display with an excellent contrast ratio and clear colour distinction. Portable yet spacious, you can comfortably enjoy movies on a large enough scale with a resolution of 1024x768 pixels as well as still being able to fit it in your bag and carry it everywhere with you.

Fast Performance
Achieve the fastest speeds with the Quad Core processor ARM Cortex A9 1.6GHz powered by Rockchip RK3188 chipset. Enjoy faster web page load times, higher performance for demanding applications, best multitasking performance and a high quality gaming experience at lower power consumption.

Alive
The MultiPad is equipped with a Quad Core Mali 400 MP graphic card and memory of 1GB. In combination with OpenGL technology and a 3D Accelerometer, it will make your digital world shift into reality. Enjoy a stunning video and gaming

experience - watch movies at Full HD 1080p quality with amazing clarity and smooth playback, as well as play the most dynamic games on your MultiPad in 3D.

Beyond Smart
Running an intelligent and beautiful Android 4.2 Jelly Bean with many useful apps already preinstalled, your MultiPad is ready to use right out of the box. Among them you will find Office Suite Pro, to view and edit your office documents and Prestigio eReader with a choice of more than 700,000 eBooks in 24 languages. To keep your device updated, automatic over-the-air updates (OTA) will provide you with the latest firmware available, while the Prestigio Installer will suggest the latest apps compatible with your MultiPad. More than 700,000 apps are available for download.

Stay in Touch
While away, stay in touch with your friends, family and business partners thanks to the front web camera for video calls. Take pictures of your special moments with the 2.0MP rear camera and share them to your social networks. You can record videos too.

More Space
Take all your media files with you with 16GB or 32GB of internal storage and up to 32GB with an additional memory card. Access all your files wherever you are with 5GB of cloud storage available with the preinstalled SygarSync application. What's more, you can also connect a memory stick for more space as well as other external USB-devices such as a mouse or keyboard via the OTG cable.

Great Connectivity
A high speed Wi-Fi mobile internet will provide you with fast access to all the things you like whether it's the football scores or cooking recipes, online shopping or a hotel reservation and will help you stay in touch with your friends, family and business partners using emails and social networks.

Long Battery Life
A powerful battery of 4700mAh now works even longer with the possibility to charge via the micro USB port providing you with extra mobility.

Luxury Design
Ultra thin aluminum body composed in a sharp and edgy design with a diamond cut for a luxury and modern look, available in two colour options - black and white. Exclusively you also get a stylish leather pouch of the same colour with red stitching with your MultiPad - a beautiful accessory to complement your gadget.
