Specifications

Overview:

Welcome to the new Prestigio MultiPad 7.0 PRIME 3G, a highly portable 7-inch tablet PC designed for people with a dynamic lifestyle. Take it everywhere with you as it will even fit in a purse and stay connected with the 3G feature. Use Bluetooth for fast data exchange, make phone calls and send messages, as well as video calls via the webcam. When you are on the road, this MultiPad will guide you on the right way with its built-in GPS receiver.

Powered by Android 4.0 Ice Cream Sandwich, which you can upgrade to Android 4.1 Jelly Bean, you can enjoy your MultiPad with no limits. Capture those special moments with a 2.0MPx rear camera and then share bright and crisp photos on your social networks; stay in touch with your friends, family and business partners making free video calls with Skype; view and edit Office documents right on your tablet with Office Suite Pro and discover the world of books with the Prestigio eReader app. These as well as many other apps are already preinstalled on your tablet for a perfect out of the box experience. To satisfy all your needs, you can access more than 700,000 apps from Google Play.

Enjoy HD entertainment with the Prestigio MultiPad 7.0 PRIME 3G: watch movies at Full HD 1080p quality with amazing clarity and smooth playback and play the most dynamic games on your MultiPad in 3D thanks to OpenGL technology and the 3D Accelerometer. Easily expand your 4GB internal memory with an additional 32GB via the microSHDC/microSD memory card and get 5GB of cloud storage with the preinstalled SugarSync application. All these features are enclosed in a modern design made of high quality build materials. With this MultiPad you also get a stylish leather carrying case for safe portability.

Features:

Highly Portable
The new 3 Series now come with highly portable 7inch Capacitive Multi-Touch TFT LCD screens with a resolution of 800x480 that can even easily fit in a purse. Take it with you wherever you go - listen to music when you are going to work, watch movies on the plane, read books in a café, chat with friends during your coffee break, shop online on the couch or show pictures at a friend's house. Just touch the screen!

Higher Usability
Powered by Android 4.0 Ice Cream Sandwich, which you can upgrade to Android 4.1 Jelly Bean, this Multipad offers a better usability, easy multitasking, rich notifications, customisable home screens, resizable widgets, deep interactivity, powerful new ways of communicating and sharing.

Already preinstalled with the most useful apps, many of which you will find on Google Play market in the category "Paid", Prestigio MultiPad is ready to use as soon as you take it out of the box. Among most popular applications, you will find there Office Suite Pro that enables you not only to view but also edit your office documents; eReader Prestigio will allow you to read exactly like you want to read with plenty of customizable settings and a choice of more than 270,000 eBooks in 22 languages; with SugarSync you will get 5GB cloud space to backup, sync files, share folders, and access your data directly from your Android device; Barcode Scanner to look up product prices, reviews and comparisons for smart shopping; and of course the most popular mobile game - Angry Birds - is already preinstalled! Find more apps to suit all your needs on Google Play. Access more than 700,000 apps to listen to your favourite music, read fascinating books and magazines, watch new movies and popular TV shows, apply artistic effects to your photos, play games and much more.

HD Entertainment
Watch movies at Full HD 1080p quality with amazing clarity and smooth playback, as well as play the most dynamic games on your MultiPad in 3D. Prestigio MultiPad is also compatible with the majority of text, image and video formats.

Make the Most of It
Take your entire media world with you - Movies, Music, Photo Gallery, eBooks, Data Files - with no shortage of space by expanding the 4GB of internal space by up to 32GB extra storage capacity via an additional micro SDHC/micro SD memory

card and 5GB of cloud space via the preinstalled SugarSync application. Get more for less - connect the 3G dongle to the micro USB and enjoy more connectivity with 3G Mobile Internet on your MultiPad.

Two Cameras
The MultiPad 7.0 PRIME 3G is equipped with 2 built-in cameras. The front webcam for making video calls comes with above the usual 0.3MPx. You also have a 2.0MPx rear camera to take remarkable photos of those special moments you want to remember. You can record HD videos too.

More Connectivity
Never miss an opportunity with the 3G feature, providing you with an internet connection anywhere any time. Whether it's an important email to send, an online airport check-in or a Skype call with your business partner, you can always stay connected.

A high speed Wi-Fi (802.11b|g|n) will provide you with fast access to all the things you like whether it's the football scores or cooking recipes, online shopping or a hotel reservation and will help you stay in touch with your friends, family and business partners using emails, social networks and video calling with a built-in VGA webcam. Featuring Bluetooth, you can easily exchange data. With your SIM card, you will be also able to make phone calls and send messages. While on the road, Prestigio MultiPad will show you the right way with built-in GPS receiver.

Live in Style
All these features are enclosed in a modern design made of high quality build materials. With this MultiPad you also get a stylish leather carrying case for safe portability.
