Prestigio Multipad Ultra Quad 8.0 3G, 8.0" / 20.3cm, 1024x768 (4:3), IPS LCD Capacitive Mutli-Touch, Quad Core ARM Cortex A7 1.2GHz, Dual Core POWERVR SGX544, Lithium Polymer 4600mAh, Android 4.1 Jelly Bean, 1GB RAM / 8GB ROM, 0.3MPx Front / 2.0MPx Rear, Micro-USB, 3.5mm Audio, Memory Card up to 32GB, 802.11b/g/n, SIM Card / Phone Calls

Specifications

Overview:

The new generation MultiPad 4 Ultra Quad 8.0 3G have four cores with a Quad Core ARM Cortex A7 at 1.2GHz processor powered by MediaTek, PowerVR graphics and 1GB of memory, providing fast performance on a bright and crisp 8-inch IPS display. Perfect for entertainment, it comes with the intelligent Android 4.2 Jelly Bean and many apps already preinstalled.

The Prestigio MultiPad 4 Ultra Quad 8.0 3G offers wide connectivity options and can assist you during your travel. Enjoy fast internet with 3G (HSPA), check your route with the built-in GPS receiver, listen to your favourite FM radio station and connect wirelessly with other devices via Bluetooth, make phone calls, video calls and send messages. A built-in 2.0MP rear camera allows you to take photos and makes your trip unforgettable, while a battery of 4600mAh with USB charging extends your mobility.

To store all of your collection it offers 8GB of internal storage and the possibility to expand it with an additional 32GB via memory card. Also, 5GB of cloud storage is available with the preinstalled SygarSync application to access the data from anywhere any time. Additionally, you can connect external devices such as a USB memory stick via the OTG cable. All the features are wrapped in an aluminum body available in two colour options - black and white. Exclusively, you also get a stylish leather pouch of the same colour as your MultiPad for safe portability.

Features:

Amazing View
Enjoy a remarkably crisp and bright view on an 8-inch IPS display with excellent contrast ratio and clear colour distinction. Portable yet spacious, you can comfortably enjoy movies on a large enough scale with a resolution of 1024x768 pixels as well as still being able to fit it in your bag and carry it everywhere with you.

Fast Performance
Achieve the fastest speeds with the Quad Core processor ARM Cortext A7 1.2GHz powered by MediaTek MT8389 chipset. Enjoy faster web page load times, higher performance for demanding applications, best multitasking performance and a high quality gaming experience at lower power consumption.

Stay in Touch
While away, stay in touch with your friends, family and business partners thanks to the front web camera for video calls. Take pictures of your special moments with the 2.0MP rear camera and share them to your social networks. You can record videos too.

Beyond Smart
Running an intelligent and beautiful Android 4.2 Jelly Bean with many useful apps already preinstalled, your MultiPad is ready to use right out of the box. Among them you will find Office Suite Pro to view and edit your office documents and Prestigio eReader with a choice of more than 700,000 eBooks in 24 languages. To keep your device updated, automatic over-the-air updates (OTA) will provide you with the latest firmware available, while the NASP service will suggest the latest apps compatible with your MultiPad. More than 700,000 apps are available for download.

Get the Most of It
Take all your media files with you with 8GB of internal storage and up to 32GB with an additional memory card. Access all your files wherever you are with 5GB of cloud storage available with the preinstalled SygarSync application. Make yourself comfortable by connecting your mouse, keyboard, memory stick or other external USB-devices via the OTG cable.

Travel Assistant
Take your MultiPad with you on your trip as it can also serve you as a GPS navigator having a built in GPS-receiver. It also features FM radio, so you can listen to your favourite radio stations wherever you are and make your journey even more enjoyable.

Always Connected
Enjoy the internet anywhere anytime with the high speed 3G connection, providing fast access to everything you need on-the-go, whether it is an important email to send, hotel reservation or an airport check-in. Insert your SIM card and you can make phone calls and send messages. Also, featuring Bluetooth, you can easily exchange data or connect wireless devices for more convenience such as wireless headphones while you are exercising in the gym.

Stay On
A battery of 4600mAh now works even longer with the possibility to charge via the micro USB port providing you with extra mobility.

Modern Design
A slim and sleek aluminum body composed in a modern design comes in two colour options - black and white. Exclusively you

also get a stylish leather pouch in the same colour with red stitches with your MultiPad - a beautiful accessory to complement your gadget.
