Overview:

Print beautiful, durable photos that will last up to 100 years with this simple to use, fast and compact wireless printer.

Features:

Beautiful, fast prints that last a lifetime
Create beautiful, richly coloured prints that will last up to 100 years with this compact photo printer. With wireless Smartphone operation via the SELPHY Photo Layout app, printing directly from a wide range of devices is fast and effortlessly simple.

Beautiful photos, fast
Create vibrant lab-quality photos with 16.7 million colours. Fast dye-sublimation technology means ready-to-handle postcard-sized prints in 41 seconds.

Prints that last
Thanks to a special protective coating, your photos will last up to 100 years1 when stored in an album. They're water, scratch and fingerprint resistant too.

Sizes to suit you
Print beautifully vibrant images in a range of sizes, ranging from postcard (100 x 148 mm) to mini stickers (22 x 17.3 mm).

Simple wireless operation
Print simply and wirelessly from your smart device using the SELPHY Photo Layout app. Create customised prints with stamps, filters, pattern overcoats and share links with printed QR codes.

Space-saving and stylish design
This is a printer that's a pleasure to live with and simple to operate thanks to its compact size, large LCD screen, wireless

connection and choice of three chic colour finishes.

Connect your way
Connect wirelessly to smart devices using a QR code, with Wi-Fi for computers and cameras, or via USB-C for computers, cameras and USB flash drives. Or simply print direct from SD, SDHC and SDXC cards with the built-in reader.

Pick the perfect layout and finish
Choose from a range of template, finish and overcoat options.

Customise the look
Add text, borders and stamps to personalise your prints.

Endless creative possibilities
Print bookmarks, sticker labels and add QR codes to link to online albums, videos and more.
