Features:

Why Choose the Canon MAXIFY GX7140 for Your Business
The MAXIFY GX7140 is a powerful tool for any business seeking cost-effective, high-volume printing. With advanced features and a focus on efficiency, this printer is perfect for a wide range of environments.

Cost-Efficient Printing for Busy Businesses
The MAXIFY GX7140 stands out with its ultra-low printing costs. Thanks to its refillable MegaTank system, you can print up to 14,000 pages with a full set of colour ink bottles, or 6,000 pages with the black ink bottle. In Economy mode, you can save even more, reducing your cost per page significantly. This makes it an ideal choice for businesses looking to cut down on operating expenses without compromising on print quality.

Exceptional Print Quality at Speed
This printer delivers sharp, professional-quality documents with bold colours and crisp details. Whether you're printing intricate graphics or barcodes, the MAXIFY GX7140 handles fine elements effortlessly. It prints at speeds of 24 ipm for black-and-white documents and 15.5 ipm for colour prints, making it an excellent choice for busy work environments.

Compact Design, Big Performance
Despite its powerful capabilities, the Canon MAXIFY GX7140 maintains a compact design, fitting easily into small office spaces. It offers a 50-sheet auto document feeder (ADF) with single-pass, duplex scanning, and a large paper capacity of up to 600 sheets. You can even print large-format banners up to 1.2 meters long, offering excellent versatility for your printing needs.

Maximize Productivity with Effortless Connectivity
Stay connected with the Canon MAXIFY GX7140's extensive connectivity options. You can print, scan, and copy directly from your devices through Wi-Fi, Ethernet, or USB. It also supports wireless printing from smartphones and tablets with Apple AirPrint and Mopria for Android. The intuitive 6.9cm colour touch screen allows easy navigation, while the Canon PRINT app provides additional cloud-based printing options.

Secure and Eco-Friendly Business Printing
With WPA3 Wi-Fi security, TLS1.3 encryption, and automatic firmware updates, the MAXIFY GX7140 keeps your data safe and secure. Additionally, its energy-efficient inkjet technology ensures that your business printing operations remain environmentally friendly, while the user-replaceable maintenance cartridge minimizes downtime and maintenance costs.

Business-Ready Versatility for Multiple Industries
The Canon MAXIFY GX7140 is tailored to meet the needs of various business sectors:

- Estate Agencies:Quickly print property portfolios and client documents with ease, while scanning and copying important paperwork using the 50-Sheet ADF.
- Retail:Print invoices, create promotional materials, and in-house point-of-sale materials at high speed and quality.
