Canon Maxify MB5340 print+scan+copy+fax Multifunction business Inkjet - network+cloud ready (wired + wireless), 4 single ink, duplex printing+copy, 7.5cm touch screen LCD; print 600x1200dpi; mono/colour: 23/15ipm, input: 250+250s dual paper tray; with 50pages duplex ADF, scan 1200x1200dpi, 48/24bit; 99 multiple copies, 25-400%; as standalone fax with 33.6k G3 modem, support colour fax, 250pages fax memory, 100+3 x speed dial, duty: 30000pages per month - UTP+USB 2.0; support scan to USB

Specifications

Overview:

Powerful All-In-One for the most demanding small office environments. Features fast 2-sided printing and scanning, 500-sheet paper capacity, usage controls plus smartphone and cloud connectivity.

Features:

Powerful All-In-One for small offices

Be productive and stay connected with this robust high-speed All-In-One designed for demanding small office environments, with monthly print volumes of between 250 and 1,500 pages. With Wi-Fi and Ethernet connectivity plus professional print quality - and usage controls for added peace of mind - this is the perfect office companion.

High-speed document printing

Never wait around for your business documents again. Fast A4 document ISO print speeds of 23 ipm in mono and 15 ipm in colour are combined with a similarly rapid Quick First Print time of around 7 seconds.

Business quality

Dual Resistant High Density inks produce sharp text and vivid colours. These pigment inks have outstanding fastness - so they won't fade over time - and are marker and friction resistant too making them perfect for high quality business documents.

Cost efficiency

Print up to 2,500 mono and 1,500 colour A4 document pages with the XL ink tanks. Individually replaceable ink tanks ensure maximum productivity with minimal wastage. A 4-colour multipack option contains a full set of replacement inks for even more cost-effective results.

Product Specification Sheet

Added productivity when needed

Make light work of every task including multi-page scanning and copying thanks to two 250-sheet paper cassettes, an integrated single pass 2-sided 50-sheet ADF and a large colour touch screen. Effortless, double-sided printing is also available for added professionalism and lower paper consumption.

Connectivity

With MAXIFY Cloud Link you can print from popular cloud services like Evernote, Dropbox, OneDrive or Google Drive directly from the printer screen or from a smartphone using the MAXIFY Printing Solutions app. Scan to email, Scan to cloud, Apple AirPrint and Google Cloud Print functions are also supported.
