Specifications

Overview:

A high-productivity MFP with the fastest two-sided printing in its class, an automatic feeder, and the time-saving HP Smart app. Count on peace of mind from more reliable connections, and a worry-free experience with simplified setup. This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges.

Features:

Work fast. Work smart.

- Speed through multipage documents with the fastest in-class two-sided printing speed.
- You can fit this LaserJet almost anywhere - it's that small and compact. Get projects done quickly with a printer that fits almost anywhere.
- Get better range and faster, more reliable connections using dual-band Wi-Fi™ with self-reset.
- Easily handle large print jobs, and save time with automatic scanning and copying. Breeze through scan and copy tasks, using the automatic document feeder.
- Easily share resources - access and print with wireless and Ethernet networking.

Stay productive from anywhere

- Get high-quality scanning. Share to Dropbox, Google Drive, email, or the cloud - from virtually anywhere - with HP Smart app.
- Quickly access and print documents and images on your smartphone, from Dropbox and Google Drive, using HP Smart app.
- With HP Smart app, you can stay connected to your printer from virtually anywhere. Get notifications when printing, scanning, or copying from your smartphone.

Easy to set up, easy to use

- Get started fast with easy setup that guides you, step by step. Simply download the HP Smart app, connect to a network, and share your printer across all your devices.
- Easily manage tasks with smart-guided buttons for an intuitive experience - buttons appear only when needed.

Help make a positive impact on the environment

- This HP LaserJet meets Eco Label requirements, including ENERGY STAR® and BLUE ANGEL.
- Help save energy with a LaserJet that uses up to 20% less energy than previous model.
- Help save energy with HP Auto-On/Auto-Off Technology - intelligence that can turn your printer on when you need it and off when you don't.
