OKI C821N Colour Laser Printer

Product Overview

OKI C821N Colour Laser Printer A3 22/32ppm, 256MB, ProQ2400, 400 sheets, 75k duty, PCL/PS, USB/Parallel/Network

Specifications

Overview:

If you're looking for a printer that can take care of all of your routine office printing as well as being able to deliver stunning, graphics-rich colour A3 pages, you'll find it in the C821. What's more, unlike most A3-capable printers, it takes up surprisingly little office space - significantly less than any comparable A3 printer.

Features:

A4 and beyond
Even if you're not a graphics professional there will always be some documents, such as colourful posters, design proofs and large charts and diagrams, that work much better in A3. Booklets, too, can be created by printing on both sides of A3 and folding in half. And that's why the C821 is so useful. There's no need to buy a dedicated, bulky A3 printer and no need to pay for the services of a high street print shop. One printer does it all.

Fine quality
Whatever you're printing, colour or black & white, A4, A3 or some other size, whether it's single or double-sided, you can depend on OKI's specially developed High Definition toner and image drum to deliver fine detail and vibrant colour and a stylish glossy finish.

Specifications:

Print quality	
Resolution	ProQ2400 Multi-level technology, 1200 x 600 dpi
Enhancements	Auto color balance, Photo enhance via Driver (excludes Mac OS and all Postscript drivers)
