Features:

Resilient and Pioneering Spirit of Your Business

Your business should be empowered to stop at nothing while navigating your journey with the MSI Business & Productivity Series products.

100Hz High Refresh Rate

A high refresh rate display provides a better viewing experience. Also, the more images shown at the same time, the less burden will impose on your eyes.

1ms Response Time

Feel more comfortable and enjoyable with 1ms response time, which creates lesser "blurring" or "trailing" effects on your screen while watching movies or browsing websites

100HZ

Easy & Efficient Tool-free Design

With the tool less design, assembling the stand will be a breeze.

4000:1 CONTRAST RATIO

Enjoy a deeper black and more brilliant white in even the darkest and brightest scenes.

Keep Your Phone Within Reach

With the accessory slot, you can easily store your phone in a convenient location, freeing up your hands and ensuring that your phone is always within sight and easy to access.

ENERGY STAR 8.0

It is our responsibility to promote sustainable development and we proudly offer an eco-friendly product, contributing to a greener environment.

VESA Mountable design

The MSI PRO MP2412 Series supports the standard VESA-mount. You can mount the Cubi Series to its back and make the PC completely invisible from your table.

Multiple Sources Supported For Your Different Devices

Multiple input design (HDMI, D-Sub) provide the best efficiency for your learning or working from home with multiple devices.

Dual Displays - No Problem with Multi-task

Work with dual displays and share any information or E-learning materials in the most efficient way.

Space Saving with MSI MT81 & VESA Mountable Design

The MSI PRO MP2412 Series can be mounted with MSI MT81 Monitor arm to make your counter or desk cleaner and tidier.
