Bitfenix 4pin power cable 45cm Silver

Product Overview

Bitfenix BFA-MSC-MM45SK-RP alchemy multisleeved(4) cable - 45cm - Molex Extension (4pin power) cable - Silver

Specifications

Overview:

With input from some of the world's most prolific case modders, BitFenix Alchemy Multisleeved Cables offer a premium ultra-dense weave and a unique multisleeved construction for an unparalleled look. These premium cables feature precision molded connectors, and come in a variety of colors and cable types, enabling modders to transform normal PCs into objects of wonderment.

Features:

Premium Ultra-Dense Weave

One look and it's easy to see why BitFenix Alchemy Multisleeved Cables are superior to the competition. They use a premium ultra-dense weave - several times denser than your typical sleeved cable. This level of quality means is that the cable underneath the sleeve is completely not visible, making Alchemy Multisleeved Cables the best available on the market.

Multi-Sleeved Construction

Alchemy Multisleeved Cables don't cut any corners. Each individual cable is wrapped in that luxurious premium ultra-dense weave sleeves, giving the entire cable a unique look.

Multiple Colors and Cable Types

Alchemy Multisleeved Cables come in a large variety of colors and cable types. No matter what creation you are picturing, Alchemy as the right cables to complete your vision.

High Quality Cable Assembly

Alchemy Multisleeved Cables are manufactured using the strictest manufacturing procedures and standards, ensuring that every cable not only looks great, but also performs as a cable should.

Precision Molded Connectors

All Alchemy Multisleeved Cable connectors are precision crafted to comply with connector size and shape standards. This means that completing your modding project with them is always headache-free.
