Microworld Privacy Screen Protector Filter 27"

Product Overview

Microworld Privacy Screen Protector Filter 27", Pet material, grade AAA quality, Light Black Colour, 16:9 Aspect Ratio, adhesive tape installation Method

Specifications

Overview Summary:

The Microworld Privacy Screen Protector is a high-quality PET filter designed for 27-inch monitors, perfect for anyone looking to keep on-screen content private. Its light black tint reduces glare and reflections, while anti-scratch and anti-fingerprint technology ensures your display stays clean and clear. Easy adhesive installation allows a bubble-free fit, making setup quick and hassle-free. Shop now to secure your monitor and enjoy enhanced privacy at home or in the office.

Built with premium Grade AAA materials, this screen protector offers durability without compromising clarity. Its 16:9 aspect ratio ensures full coverage for standard widescreen monitors, and the thin PET layer maintains a clear, unobstructed view. Buy now to experience a seamless combination of privacy and screen protection.

Performance tier:AAA

Uses:Monitor privacy, glare reduction, fingerprint protection, scratch protection, home office, corporate workspace

Overview:

Microworld Privacy Screen Protector for 27-Inch Monitors

Protect your screen and keep your personal information safe with the Microworld Privacy Screen Protector. Designed for 27-inch displays, this high-quality PET filter ensures your screen is visible only to you, reducing unwanted attention in public spaces. Its light black tint and 16:9 aspect ratio make it ideal for monitors, laptops, and tablet PCs.

Description:

The Microworld Privacy Screen Protector combines privacy, durability, and clarity. Anti-scratch and anti-fingerprint technology keeps your screen looking clean, while anti-glare and anti-oil properties improve viewing comfort. Its bubble-free adhesive installation ensures a smooth, secure fit, providing a hassle-free setup. With Grade AAA quality and precision-crafted design,

this screen protector enhances both security and screen longevity.

Features:

Why You Need a Privacy Screen

- Keeps on-screen content private from side views
- Reduces glare and reflections from bright lights
- Protects the display from scratches and fingerprints
- Easy adhesive installation without leaving residue

Compatibility and Use

- Suitable for PC monitors, notebooks, and tablet PCs
- Designed for 27-inch screens with a 16:9 aspect ratio
- Thin PET material ensures clear visibility while maintaining privacy

Build and Quality

- Premium PET material for durability
- Light black tint for subtle privacy protection
- Grade AAA craftsmanship ensures long-lasting performance
- Layer thickness approximately 0.45 + 0.02 mm

Installation

- Simple adhesive tape method for a bubble-free, secure attachment
