The Yealink 65W Power Delivery Adapter is a high-performance solution designed to keep your MTouch Plus and BYOD-BOX devices powered throughout the day. With a 65W output and a 1.5-meter USB-C cable, it ensures efficient and stable power delivery, making it ideal for professional environments that require reliable equipment. Its compact design allows for easy integration into your workspace. Shop now to enhance your device's performance and reliability.

Performance tier: Professional

Uses: Power supply for MTouch Plus, Power supply for BYOD-BOX, USB-C charging, Conference equipment power, Professional workspace setup

Overview:

Yealink Power Delivery Adapter for MTouch Plus and BYOD-BOX
The Yealink Power Delivery (PD) Adapter is designed to provide reliable and efficient power to your MTouch Plus and BYOD-BOX devices. With a robust 65W output, it ensures your equipment remains fully powered for smooth performance. The included 1.5-meter USB-C cable offers flexible connectivity, making setup convenient and hassle-free.

Description:

This power adapter delivers 65W of fast and stable power, keeping your MTouch Plus and BYOD-BOX ready for extended use. The 1.5m USB-C cable allows easy installation in any workspace, making it an ideal solution for professional environments. Its compact design ensures portability without compromising on performance.

Features:

Technical Specifications:

- Power Output: 65W
- Connector Type: USB-C
- Cable Length: 1.5 meters
- Compatible Devices: MTouch Plus, BYOD-BOX

Reliable and Efficient Power Supply
Designed to maintain optimal performance, this adapter ensures that your devices receive consistent energy, reducing downtime and enhancing productivity.

Compact Design for Easy Installation
The small footprint and lightweight design make it simple to integrate into your workspace or take on the go.

Easy Connectivity with USB-C
The included USB-C cable provides a universal connection, simplifying setup and minimizing clutter.

Why Choose the Yealink PD Adapter

- Delivers high-speed 65W power
- Compatible with multiple Yealink devices
- Portable and easy to use
- Ensures reliable performance for professional environments
