Patriot Transporter Lite 2TB external Portable Solid State Drive

Product Overview

Patriot Transporter Lite 2TB external Portable Solid State Drive, USB 3.2 Gen 2, 1000 MB/s Read Speed, 1000 MB/s Write Speed

Specifications

Overview Summary:

Experience lightning-fast file transfers with the Patriot Transporter Lite 2TB external SSD. Designed for South African professionals, students, and creatives, this compact, lightweight drive ensures your important data is always accessible and secure. With USB 3.2 Gen 2 speeds, transferring large files, editing 4K videos, or managing extensive projects is seamless. Shop now to elevate your storage solution and boost productivity.

Built for portability, this durable SSD fits easily in your pocket or laptop bag, with a sleek aluminium casing that protects your data during travel. Its Type-C to Dual connector ensures compatibility across Windows and Mac devices, making it simple to integrate into your existing digital ecosystem. Buy now to experience reliability and speed wherever your work takes you.

Performance tier: High-speed external SSD

Uses: File storage, Video editing, Data backup, Portable storage, Creative work, Productivity tasks

Overview:

Patriot Transporter Lite 2TB External SSD - Portable High-Speed Storage
Transfer files at lightning speed with USB 3.2 Gen 2, keeping your essential data safe wherever your work takes you.

This compact 2TB external SSD combines rapid read and write speeds with a lightweight, durable design. Ideal for professionals, creatives, and students, it offers seamless cross-platform compatibility, a versatile Type-C to dual connector cable, and reliable performance for large file transfers, 4K video editing, and on-the-go storage needs.

Features:

High-Speed Data Transfers for Maximum Productivity
The Patriot Transporter Lite leverages USB 3.2 Gen 2 technology to achieve read and write speeds up to 1000MB/s. Move large files, edit high-resolution videos directly from the drive, or launch applications faster than traditional hard drives. This SSD minimizes delays, boosting productivity for photographers, video editors, and designers handling extensive digital projects.

Compact and Durable Design for Everyday Use
Measuring just 10.7 x 3.5 x 0.9 cm and weighing 39.6g, this SSD is perfect for users who need storage that fits in a pocket or laptop bag. Its aluminum casing provides protection against minor bumps and scratches while maintaining a sleek, minimalist look. The Transporter Lite is built for portability, making it ideal for travel, remote work, or daily commutes.

Effortless Compatibility Across Devices
With the included Type-C to dual connector cable, you can connect the SSD to both USB-C and USB-A devices. It supports a wide range of operating systems, including Windows and macOS, allowing seamless file access across multiple platforms. Plug-and-play functionality ensures a smooth user experience without compatibility hassles.

Optimized Thermal Management
The high-efficiency aluminum housing helps dissipate heat effectively, maintaining stable performance during intensive tasks. The drive is also vibration-proof, offering added reliability for mobile use.

Technical Details and Storage Options

- Capacity: 2TB
- Read Speed: Up to 1000MB/s
- Write Speed: Up to 1000MB/s
- Interface: USB 3.2 Gen 2
- Cable: Type-C to dual connectors (Type-A + Type-C)
- Compatible OS: Windows XP through Windows 11, macOS 10.3 and later
- Dimensions: 10.7 x 3.5 x 0.9 cm
- Weight: 39.6g
- Color: Red
- Operating Temperature: 0degrees C to 70degreesC
- Storage Temperature: -25degrees C to 85degreesC

What's Included

- Patriot Transporter Lite 2TB USB 3.2 Type-C External SSD - Red

Why Choose Patriot
Patriot is a trusted name in high-performance memory and storage solutions. The Transporter Lite external SSD is designed for speed, reliability, and portability, making it an ideal companion for anyone needing fast, secure, and convenient data

storage.

Additional Highlights

- Supports previous USB versions for flexible connectivity
- Available in multiple capacities: 512GB, 1TB, 2TB, 4TB
- High-efficiency heat dissipation with aluminum casing
- Sequential read/write speeds up to 1000MB/s
- 2-in-1 cable for versatile connection to Type-A and Type-C ports
- Broad OS support including Windows and macOS
