PXN A9 Gaming Steering Wheel Foldable Stand

Product Overview

PXN A9 Gaming Steering Wheel Foldable Stand, Carbon Structured Steel Q235 Material, Adjustable knobs for setting and quick-folding, Supports - PXN / Fanatec / Logitech / Thrustmaster steering wheels

Specifications

Overview:

Step into the driver's seat with the PXN A9 Gaming Steering Wheel Foldable Stand, a premium-grade racing simulator accessory crafted for hardcore enthusiasts and casual gamers alike. With a robust high-strength aluminium alloy frame and carbon-structured steel Q235 construction, the PXN A9 is built to handle intense racing action while providing unmatched stability and durability. Whether you're training for esports or just enjoying immersive racing games, this stand gives you the control and customisation needed to dominate every track.

Designed with convenience in mind, the PXN A9 features tool-free adjustment knobs for quick setup and easy folding. It offers height adjustability up to 36cm, allowing you to fine-tune your driving position for comfort and realism. The gear shifter mount can be installed on either the left or right side to accommodate your preference, making it adaptable for all user setups. When you're done racing, the stand folds down to a compact 56 x 64 x 9 cm, perfect for space-saving storage in tight gaming spaces or shared living areas.

The PXN A9 stand is compatible with a wide range of popular racing wheels, pedals, and shifters from industry leaders like PXN, Logitech, Fanatec, and Thrustmaster. Whether you're using a Logitech G29 or G923, Thrustmaster T300RS or TMX Pro, or any PXN steering system, this stand ensures a secure, stable fit. Pre-drilled mounting holes and anti-slip silicone grip pads add extra assurance, keeping your rig planted firmly even during aggressive turns or sudden braking maneuvers.

With a sleek black finish and durable 14.2kg build, the PXN A9 stand is engineered for long-lasting performance and realistic racing simulation. Its anti-slip silicone pads protect your flooring and provide extra grip, ensuring that every race stays smooth and focused. Whether you're into drifting, rally racing, or F1, the PXN A9 gives you the confidence and responsiveness you need to race like a pro.

Please note: Steering wheel, pedals, and gear shifter are not included.

Features:

- Convenient foldable design
- High strength aluminium alloy structure
- Adjustable knobs for setting and quick-folding
- Left or right plate support for your gear changing lever/shifter
- Height adjustment for ease of use up to 36cm extension
