Xiaomi 30W Blue Sound Outdoor

Product Overview

Xiaomi 30W Blue Sound Outdoor

Specifications

Features:

30W super-high power Dynamic sound

Featuring a large mesh area design, the speaker delivers more transparent sound and balanced audio. No matter where it's placed, you'll be amazed by rich and powerful sounds that defy its compact size.

A subwoofer, dual large-size passive woofer radiators Exclusive woofer boost mode

Equipped with dual large-size passive woofer radiators on both sides, the speaker delivers fuller and richer bass for dynamic, natural, and energetic percussion sounds.

Dynamic equilibrium

Experience natural and captivating audio thanks to automatic equalisation of different frequency components.

Smart volume balancing

Volume levels are automatically adjusted based on elements of the music to ensure an accurate reproduction of details even at low volumes.

Dynamic woofer extension

Dive down into incredibly low frequencies, breaking the confines of the woofer cavity for a compact speaker that can deliver powerful bass.

12-hour ultra-long battery life Uninterrupted listening

Enjoy up to 12 hours of non-stop playback on a full charge, making it perfect for epic parties and picnics. Supports Type-C 15W fast charging for longer-lasting enjoyment.

Refined curves Sleek and portable, easy to hold in one hand

The body adopts a curved lightweight design, making it easy to grip and allowing you to effortlessly enjoy music wherever you go. Whether you're at home, outdoors, or on the go, your music is always by your side.

IP67-rated dust and water resistance Unstoppable in any weather

With certified professional protection and enhanced safety features, you can enjoy your favourite music outdoors, regardless of weather conditions.

Bold colour combo Fashionable and more personalised

By adopting an 'Alive' design concept, it breathes with the rhythm of life. Its sleek, elongated shape allows for both horizontal and vertical placement, making it adaptable to any setting. The sophisticated black tone is complimented by a splash of vibrant orange to create a bold and distinctive colour combination that exudes personality.

Upgraded Bluetooth technology Faster and more stable connection

Enjoy lossless audio quality like never before with a fast and stable connection powered by the latest Bluetooth 5.4.

TWS stereo combo Superior immersive sound quality

Connect two identical speaker models to create a smart stereo combo* for even more immersive music experiences. Short press the connect button each two speakers, and the two nearby speakers will pair automatically and operate as left and right channels respectively.

Expandable up to 100 units Experience extraordinary sound

- The Multi-speaker Pair feature enables you to create a powerful audio system by connecting up to 100 other smart speakers for synchronised playback, filling every corner of your space* with enchanting melodies.
- Long press the connect button 3s on each speaker, and all speakers will pair automatically. All speakers will play the same content.

Hands-free calling Free your hands

Answer incoming calls with a single tap for easy hands-free conversations with clear and crisp sound. Now you can enjoy chatting with friends and family far and wide while multitasking.
