Features:

Switch among multiple connected devices in one click

ComX Computers

Product Specification Sheet

Connect to all your devices with 8000M.

It automatically pairs the working device, connects to multiple devices, and easily switches among them in a click of a button. Multi-tasking across devices has never been easier.

Spill-resistant keyboard design

Drinks allowed on your desktop. The 8000M keyboard is protected against accidental splash damage so you can focus on your work with peace of mind.

Multimedia hotkeys

The classic keyboard look also features extra multimedia keys for further convenience. Multimedia hotkeys give you quick access to functions like media player, homepage, volume adjustment, and more.

High-resolution 1300 DPI sensor

Enjoy total control: the high-performance 1300 DPI optical sensor offers you smooth and accurate mouse-pointer control.
