## Specifications

**Overview:**

The Redragon BS-7094 Wireless Keyboard and Mouse Combo is designed for comfort, efficiency, and a seamless user experience. Featuring an ergonomic keyboard layout and low-profile silent chocolate keycaps, it delivers a quiet and comfortable typing experience, ideal for both work and home environments. Individual shortcut keys further enhance productivity by providing quick access to essential functions, allowing you to work more efficiently.

Paired with a high-precision wireless mouse, this combo ensures smooth and accurate navigation. The mouse offers five adjustable DPI settings (800/1200/1600/2400/4000 ), allowing you to customize sensitivity for different tasks, whether it's precise editing or fast-paced browsing. Its ergonomic design ensures a comfortable grip for extended use, reducing strain during long working hours.

With a reliable wireless connection via a plug-and-play USB dongle, the Redragon BS-7094 provides a clutter-free setup without the hassle of tangled cables. The excellent power management system ensures longer battery life, reducing the need for frequent replacements. Whether for professional use or everyday computing, this wireless keyboard and mouse combo offers both convenience and durability.
