Product Overview

Redragon GS20W Anvil 3W 2.0 RGB Stereo Desktop PC Speakers - White, 50mm x 2 Speaker Driver unit size, 3W x2 rated Power, RGB backlight, USB + 3.5mm cable Connector, 1.7m cable length

Specifications

Overview Summary:

Upgrade your desktop setup with the Redragon GS20W Anvil RGB stereo speakers, built to deliver clear and balanced sound in a compact form. With dual 3W drivers and 50mm units, these speakers provide reliable audio performance for gaming, streaming, and everyday use. The USB-powered design with a 3.5mm jack ensures easy plug-and-play compatibility across PCs and laptops, making setup quick and hassle-free.

The sleek white finish combined with vibrant RGB lighting adds a modern touch to any workspace or gaming station. Designed for convenience, the front volume control allows quick adjustments, while the durable build ensures long-term use. Perfect for home or office environments, this speaker set offers a practical and stylish audio solution. Buy now and enhance your sound experience instantly.

Performance tier:Entry-level desktop audio

Uses:gaming, music playback, video streaming, office work, general PC audio

Overview:

Redragon GS20W Anvil RGB Desktop Speakers White

Upgrade your desktop audio with the Redragon GS20W ANVIL 3W 2.0 RGB Stereo Desktop PC Speakers, a compact yet powerful speaker pair designed to deliver crisp sound and immersive ambience for everyday computing, gaming, and entertainment. Engineered for modern setups, these speakers feature dual 3W drivers that produce clear stereo output ideal for gaming sessions, video streaming, music playback, and office use. The 50mm driver units ensure balanced audio performance with enhanced clarity and depth, making them a reliable choice for users looking to elevate their desktop sound without bulky equipment. Designed with simplicity and accessibility in mind, the GS20W ANVIL integrates USB-powered connectivity and a 3.5mm audio jack, allowing seamless plug-and-play operation with a wide range of devices including PCs, laptops, and compatible multimedia systems.

Description:

The Redragon GS20W Anvil desktop speakers offer a practical audio upgrade for users who want clear stereo sound in a compact footprint. With dual 3W output and 50mm drivers, they deliver balanced audio for gaming, streaming, and everyday tasks. USB power and a 3.5mm audio connection ensure quick setup across multiple devices, while integrated RGB lighting adds a modern visual touch to any workspace. A front-mounted control knob simplifies volume and power adjustments, making these speakers both functional and user-friendly for home or office environments.

Designed for convenience and style, this speaker set blends clean aesthetics with everyday usability. The white finish complements modern desk setups, while RGB lighting introduces a subtle ambient effect without overpowering your space. A durable ABS build supports long-term use, and the extended 1.7 metre cable provides flexibility for different desk layouts.

Features:

Key Highlights

- Dual 3W stereo output with 50mm drivers for clear and balanced sound
- RGB backlighting enhances visual appeal on gaming or work setups
- Front-facing control knob for quick volume adjustment and power control
- USB powered with 3.5mm audio input for simple plug-and-play use
- Compatible with desktops, laptops, and standard audio devices

- Compact design ideal for limited desk space

Technical Details and Performance

The GS20W Anvil is engineered to deliver consistent desktop audio without unnecessary complexity. Its dual-driver configuration ensures stereo separation, while the modest power output is optimized for near-field listening. This makes it well suited to desk environments where clarity matters more than high volume output.

- Connectivity: Wired USB power plus 3.5mm audio
- Driver size: 50mm x2
- Output power: 3W x2
- Lighting: RGB integrated backlight
- Cable length: 1.7 metres
- Build material: ABS construction
- Operating system support: Windows XP, Vista, 7, 8, 10, 11

Design and Build Quality

A minimal footprint allows the speakers to sit neatly beside monitors without cluttering the workspace. The vertical orientation helps optimize desk space, while the solid housing reduces unwanted vibration. The intuitive front control eliminates the need for software-based adjustments, streamlining daily use.

- Colour: White
- Weight: 750g
- Dimensions: 8 x 9 x 18 cm
