

RE-HMCE

Hauppauge Remote control

Product Overview

Hauppauge Remote control for MCE (Media Center Edition), OEM pack - USB receiver included

Specifications

Overview:

Add a Microsoft certified remote control Kit to your Media Center PC! Control all of Media Center's functions from the comfort of your sofa. Works with the Media Center application in Vista Premium, Ultimate, or Windows XP Media Center Edition. If you have a satellite or cable TV set-top box connected to your WinTV product, the included Media Center IR transmitter can be used to change channels from within Media Center itself, enabling you to schedule and record your favourite TV shows all from the comfort of your sofa! Microsoft certified remote control Kit for your Xbox 360 too! Enter a new world of digital entertainment. Play DVD movies, music and more on your Xbox 360, plus control your Media Center PC with the same controller.

Features:

- Media Center Certified Remote Control Kit, with IR transmitter to control a TV set top box.
- Easy installation under Windows Vista Premium and Ultimate or Windows XP Media Center Edition!
- Works with Microsoft's Xbox 360, too!

System Requirements:

- Microsoft Media Center compatible PC with Vista Media Center Premium, Ultimate or Windows XP Media Center Edition installed.
- One free USB port.

Included in the box:

- Microsoft Media Center certified Infra-red remote control and USB receiver.
- Two AA batteries.
- One meter IR transmitter cable.
