

RF-N-F

Switchcom RF Pro MMCX to N-type Female bulkhead

Product Overview

Switchcom RF Pro MMCX to N-type Female bulkhead

Specifications

Overview:

The RF Pro MMCX to N-Type Female Bulkhead is a high-quality RF connector that provides a secure and reliable connection between MMCX and N-Type devices. This connector is made from durable materials and features a bulkhead design that allows for easy installation in a variety of applications.

With its low insertion loss and high return loss, the RF Pro MMCX to N-Type Female Bulkhead ensures that your signal is transmitted with minimal loss and interference. Whether you are building a new network or upgrading an existing one, this connector is an excellent choice for ensuring reliable and high-performance connectivity.
