Performance tier: Mid-range office and multimedia

Uses: Office work, home computing, online teaching, multimedia control, email management

Overview:

Rii RK200 2.4GHz Wireless Keyboard and Mouse Combo
Experience seamless productivity and entertainment with the Rii RK200 wireless keyboard and mouse combo. Designed for quiet operation and efficient control, this combo is perfect for office tasks, teaching, and multimedia use. The wireless setup provides freedom from tangled cables while keeping you connected up to 10 meters away. Its intuitive layout and responsive performance make managing emails, videos, music, and everyday tasks faster and easier.

Description:

The Rii RK200 combo includes a quiet office keyboard with 12 multimedia function keys and a high-resolution wireless mouse capable of 800, 1200, and 1600 DPI. The keyboard offers long-lasting durability with more than 10 million keystrokes and a compact design that fits comfortably on any desk. The mouse is ergonomically shaped for smooth navigation and precise control. The package also comes with a wireless receiver and user manual, allowing for plug-and-play setup with minimal hassle.

Features:

Reliable Keyboard Performance
The Rii wireless keyboard delivers extended key life, supporting over 10 million clicks. Its operating voltage ranges from 2.2V to 3V DC, and it maintains stable connectivity within an 8-10 meter range. The keyboard's dimensions of 439 x 125.8 x 29.5mm ensure it fits comfortably in standard workspaces while providing full typing comfort.

High-Precision Wireless Mouse
The accompanying wireless mouse offers adjustable resolution settings of 800, 1200, and 1600 DPI, allowing smooth navigation for work or gaming. It operates within the same voltage range as the keyboard and measures 60.4 x 98.5 x 38.3mm, providing an ergonomic design for extended use without strain.

Included in the Package
The combo kit comes complete with 1 wireless keyboard, 1 wireless mouse, a wireless receiver for easy connection, and a user manual to guide setup and operation. This ensures a complete, ready-to-use experience straight out of the box.
