Specifications

About this product

The Microworld RL02 Laptop Stand is an adjustable, aluminum-alloy support stand that elevates your notebook off the desk surface - improving ergonomics and cooling. With a sleek grey finish and robust build, it's designed for daily use.

Overview Summary

Microworld RL02 Triple Lift Adjustable Alu Laptop Stand

This laptop stand provides stable elevation and is crafted from aluminum-alloy for durability and minimal design. The grey colour complements modern setups, and the 210 x 198 mm footprint supports a variety of notebooks while offering better airflow beneath the device.

Performance tier: Entry / Accessory

Uses: Notebook elevation, improved ergonomics, passive cooling, desk organisation

Description

The Microworld RL02 laptop stand is designed with simplicity and quality in mind. Its aluminum-alloy construction provides a sturdy base, while the compact 210 x 198 mm size ensures it fits well in tight spaces. Weighing 740 g, it's light enough for portability yet stable enough for day-to-day use. The 'Triple Lift' design allows your notebook to be elevated for better posture and ventilation.

Features

- Aluminum-alloy construction for strength and sleek design
- Compact footprint: 210 x 198 mm

- 1 x Microworld RL02 Laptop Stand (Grey, Aluminium Alloy)

Specifications

- Product Code: RL02
- Colour: Grey
- Material: Aluminium Alloy
- Product Size: 210 x 198 mm
- Single Product Weight: 740 g

FAQ

Will this stand fit a 15.6-inch laptop?

Yes, the stand supports standard notebooks and offers a size footprint of 210 x 198 mm, making it suitable for many 13-inch laptops depending on their base dimensions.

Can it help with notebook cooling?

Yes, by elevating your notebook and improving airflow underneath, the stand can contribute to better passive cooling.
