Product Overview

ROCCAT Into Street - Proof 17.3" Messenger Bag, Mega-tough nylon armor shell, Quick-zip front pocket, Oversized quick-stash back pocket, Secure laptop shamber (up to 17.3"), Earphone cable slot, Extra-long.

Specifications

Overview:

Custom-designed for even the most active players, the ROCCAT™ Into Street-Proof Messenger Bag offers a secure and stylish way to carry all sorts of gear - including laptops up to 17.3". For starters, the Into is built tough with the strongest materials around to ensure that what's inside stays safe. The Into also offers loads of features designed to make the bag as flexible and easy to use as possible. And its eye-catching design not only looks awesome, but matches perfectly with other ROCCAT™ gear.

Features:

MEGA-TOUGH NYLON ARMOR SHELL AND HEAVY PADDING
Thanks to the Into's thick outer nylon construction and heavy-duty side and undercarriage padding, gamers can rest assured their belongings will stay protected no matter how far from home they roam - and no matter how many bumps and bangs they encounter along the way.

QUICK-ZIP FRONT POCKET WITH EARPHONE CABLE SLOT

With the Into's handy earphone cable slot, wearers can enjoy music while keeping their MP3 player safely stored away inside - which means less wear and tear on expensive music gear. And a quick zip is all it takes to access the strategically-placed front storage pocket.

OVERSIZED QUICK-ZIP / EASY-STASH BACK POCKET

A roomy Quick-Zip back pocket lets gamers easily stash and grab things like gaming magazines, a tablet PC or snacks - without having to open the main compartment. Quick and convenient.

SECURE LAPTOP CHAMBER

LAN gamers or on-the-road office workers can use the Into for easy laptop transport. The bag's secure laptop sleeve keeps computers up to 17.3" safe and sound.

XXL VELCRO STRIP CLOSING SYSTEM

Thanks to its clever, extra-large Velcro® strip front closing system, the Into's already generous main compartment can expand even further to carry larger objects like keyboards or other bulkier equipment or supplies.
