The Rogueware GD200 Goliath RGB LED Gaming Desk offers a robust build with a 100 kg load rating, adjustable height options, and integrated RGB lighting for an immersive gaming setup. With added features like a headphone hook and cup holder, it's designed for practical, immersive use by South African gamers.

Specifications

Overview Summary

Rogueware GD200 Goliath RGB LED Gaming Desk

The Rogueware GD200 Goliath RGB LED Gaming Desk delivers robust build quality and dynamic ambient lighting, designed for avid gamers in South Africa. It combines heavy-duty steel and particle board construction with a programmable RGB LED strip to elevate any gaming setup, ensuring both durability and visual impact.

Featuring adjustable height settings, dedicated accessory holders, and a high load capacity, this desk caters to a range of user preferences-from ergonomic posture to tidy cable management. Its thoughtful design supports immersive gameplay while maintaining everyday usability.

Performance tier:Standard

Uses:gaming, streaming, computer work, ergonomic setup, ambient lighting

Overview

The Rogueware GD200 Large Heavy-Duty Gaming Desk features a 100kg (220 lbs) load capacity, which is adequate for regular gaming applications. The easily button-controlled RGB lighting enables various backlight modes for a vibrant gaming ambience. Cup and headphone holders are also available for a clutter-free desktop. 3-height settings (710/760/810mm) allow for better viewing angles for different gamers, providing an easy and healthy gaming experience.

Description

The Rogueware GD200 Goliath gaming desk is built to support immersive gaming sessions and multi-tasking setups. Its solid steel legs and spacious melamine-topped surface accommodate dual monitors, peripherals, and accessories, all while

withstanding up to 100 kg of weight.

The included RGB lighting strip enhances your environment with programmable lighting effects, setting the right mood for gaming or streaming. Adjustable in three heights, the desk adapts ergonomically to your posture and viewing preference. The thoughtful addition of a headphone hook and cup holder ensures your essentials are within reach without sacrificing surface space.

Features

- Dynamic RGB lighting creates vivid color-changing effects
- Sturdy Steel Construction: provides a solid and long-lasting performance
- Under-Desk headphones & cup holders create a clutter-free desktop.
- Height Adjustment: satisfies user's different preference
