RZ-IMPERATOR

Razer Imperator Ergonomic Gaming Mouse

Product Overview

Razer Imperator Ergonomic Gaming Mouse - Rubberized Thumb Grip, Tilt-click Scroll, 8200dpi 4G Laser Sensor, Blue Razer LED System, Adjustable Thumb Buttons, Synapse 2.0

Specifications

Features:

4G Dual Sensor System
Experience a new standard of gaming precision with the 6400dpi 4G Dual Sensor System, outfitted with a laser and an optical sensor to accurately calibrate the mouse to any surface for exceptional tracking. The Razer Imperator can not only match the speed of your swipes, no matter the play style, but also has adjustable liftoff tracking distance, empowering you with more control than ever.

Rubberized contoured thumb grip for maximum control
The contoured thumb grip on the Razer Imperator has been rubberized to give added control, a must for low sensitivity gamers who need to lift and swipe their mouse for victory.

Ergonomic right-handed form factor
The Razer Imperator's right-handed ergonomic form factor maximizes comfort during intense and extended gameplay so you can outlast and outfrag the competition.

Razer Synapse 2.0 enabled
Razer Synapse 2.0 is cutting-edge, intuitive, proprietary software that functions as the Razer Imperator's brain, automatically syncing the gaming mouse to a cloud server to download driver and firmware updates, as well as to save your individual settings without you needing to lift a finger. You'll never have to set up a new mouse at tournaments again when Razer Synapse 2.0 downloads the personal settings from your own Razer Imperator, and ports them to the new mouse, making it an exact replica of your own.

System Requirements:

- PC / Mac with USB port
- Windows® 8/ Windows® 7 / Windows Vista® / Windows® XP (32-bit)/ Mac OS X (v10.6-10.7)
- Internet connection (for driver installation)
- At least 35MB of hard disk space
- Razer Synapse 2.0 registration (requiring a valid e-mail), software download, license acceptance, and internet connection needed to activate full features of product and for software updates. After activation, full features are available in optional offline mode.
