Specifications

Overview:
Besides enjoying light effects triggered by your in-game actions on the interactive TRON gaming mouse designed by Razer, you will experience a tracking glow trail as you swipe your mouse across the smooth, hard surface of the TRON Gaming Mouse Mat Designed by Razer. The gaming mouse and hard mat form the definite suite to immerse you deeply into the digital world of TRON. The gaming mouse mat is the perfect peripheral to complement your gaming mouse, as it's made for high sensitivity gaming mice and offers the highest tracking precision.

Features:

- Unique TRON Light and Sound Features: See and hear the TRON Gaming Mouse rez to life with unique light and sound effects straight from the movie. Let the mouse react to your actions on the Game Grid with authentic light alerts.
- Ambidextrous Design: Designed to be equally comfortable for both right and left-handed use, this gaming mouse is your perfectly balanced Lightcycle hurtling you through the grid.
- Hard Mouse Mat with Tracking Glow Trail: Create a TRON blue glow trail behind your TRON Gaming Mouse with every swipe you make across the mat.
