Switchcom Dry Wall screw 6x25mm - 100 pack

Product Overview

Switchcom Dry Wall screw 6x25mm - 100 pack

Specifications

Overview:

The Dry Wall Screw 6x25 is a versatile and reliable fastener that is perfect for use in drywall applications. It features a 6mm diameter and 25mm length, making it ideal for securing a wide range of materials to drywall.

The screw is constructed from high-quality steel for durability and reliability, and is finished with a corrosion-resistant coating to ensure long-lasting performance. This pack includes 100 dry wall screws, providing an ample supply for your installation needs.

Whether you are a professional contractor or a DIY enthusiast, the Dry Wall Screw 6x25 is an excellent choice. It offers convenience and value, making it a great addition to any toolkit.
