Product Overview

SAMSUNG Galaxy Tab3 Lite T110 7", 1,2 GHz Dual Core Processor, 8GB Built-in, 32GB mSD Support, WiFi Only, Android 4.2, 2MP Back, 1,3MP Front, Accelerometer

Specifications

Features:

Super Light, Slim Design
Tab3 Lite is designed for ultra portability to carry with ease everywhere. Slimmer than other models at only 9,7 mm deep, its concise form factor is sure to please. Enjoy the most comfortable hand grip, complemented by its extreme light weight - feel the difference! Beautifully compact with long-lasting power -- what more could you ask?

Optimal Viewing Experience
Tab3 Lite's high resolution screen showcases your entertainment to the maximum. Brighter images and sharper text without the status bar blocking the view -- larger, roomier screen space enhances your viewing pleasure.

1,2 GHz Dual Core Processor
Strong, fast processor powers your device to enjoy videos, games, apps and web surfing without limit for the most enjoyable multimedia tablet experience yet.

Smart Camera with Fun Features
Rear camera is equipped with smart features that let you compose perfect shots every time. Whether picturesque landscapes or that perfect pic where everyone's smiling, shoot like a pro and share right away -- smart sharing features make it easy.

Fun & Sharable Services
Tens of thousands of apps at your fingertips -- all especially geared for Tab3 Lite and easily downloadable for maximum enjoyment. And Samsung Link saves your pictures and files to cloud storage or any device to access, edit and share -- effortless to manage your contents or play your videos on TV monitors remotely. Dropbox stores your files for safekeeping on web-based cloud service to access anywhere and share anytime -- simple, safe and reliable.
