SAMSUNG S19C20KBR

Samsung S19C20KBR 19" Wide 5:4 LED Monitor

Product Overview

Samsung S19C20KBR 19" Wide LED Monitor, 1280 x1024 , MEGA Contrast, 5ms, D-SUB/DVI, Matt Black. Aspect Ratio : 5:4

Specifications

Overview:

Boasting a practical design with a stunning narrow bezel this monitor is perfect for educational purposes and public facilities. The Samsung SC200 really does cover all the basics, while still providing an outstanding performance, and is definitely a monitor worth investing in.

Features:

Help business with cost-cutting technology
Minimise your work costs with the help of the new DPMS 0.1W feature*. It ensures that your Samsung Business monitor (SC650 / SC450 / SC200) only consumes a maximum of 0.1 Watts while in standby mode. This amazingly low consumption is beneficial both financially and environmentally, and is simply unmatched by competitors.

Upgrade to the next level with Mega Dynamic Contrast
Mega Dynamic Contrast Ratio delivers new levels of colour and picture quality to your viewing experience with images that are

real-to-life. A breathtaking Mega? DCR contrast ratio shows blacks at their absolute darkest and pristine whites and other colours at their brightest. You will notice the crystal clear picture clarity. It is like explosions of colours that make other screens seem dull in comparison. Enjoy your multimedia content with the professionalism it deserves.

Samsung Magic Angle
With 5-mode angle management, enjoy a full visual experience with amazing picture clarity from whatever angle or position you view your Samsung monitor from.

Keep your work space as efficient as your monitor
If you need a work monitor that uses office space efficiently, then Samsung LED Business Monitor SC200 is the perfect choice. From physically moving the monitor with the carrying handle to quickly installing, the SC200 is ready to deliver an efficient and clean work space. Optimising your office space is now easily achieved with the Samsung LED Business Monitor SC200.

Tilt
Set your monitor to the perfect angle with Samsung's Tilt functionality. It ensures that your monitor is always providing the most comfortable experience.

Eco Certification - EPEAT
Upgrade to the greener Samsung LED Business Monitor, which comes with the new Green Certificate from EPEAT. With reduced 'soft power' consumption, this eco-friendly monitor is perfect for business.

Eco Certification - TCO Display certified
Meeting the strict environmental requirements of the TCO Display standard, the Samsung monitors represent the cutting-edge of responsible design and manufacture, ensuring the health of both users and the planet.

Eco Certification - Energy Star
Minimise costs with Samsung's LED Business Monitor, which has been accredited with the Energy Star rating. With less power consumption, this monitor is good for business and the environment.
