SAMSUNG S24B370H

SAMSUNG 24" Wide LED Backlit LCD Monitor

Specifications

Features:

Expand your experience with various inputs
Why not bring more than just your favourite films to life? Samsung's LED Monitor HDMI with its wide range of inputs ensures that everything from gaming to chatting with friends online is easily achieved. The various inputs such as DP, HDMI and DVI, ensure that your monitor is more compatible and ready to handle all of your content.

Control power consumption, conserve energy
Eco Saving makes saving energy easy. It adjusts the brightness of your Samsung monitor based on how much energy you want to save. And with the choice of three energy saving modes (50%, 25% and Power Saving off), you can really tailor your monitor use to meet your own personal needs. Samsung's commitment to saving energy is designed to help both you and the environment, and with up to 50% saving on consumption, you can really make a positive impact on your eco footprint. Take the effort out of saving energy and take control with Eco Saving.

See it your way with wider viewing angles
How do you like to watch movies? Do you like lying down on the couch? Sitting in your favourite chair? Cooking or exercising? Whether you're standing, sitting or lying down, Samsung's Magic Angle makes sure that the movie always takes centre stage and that you're always comfortable. This means, thanks to the 5-mode angle management, that whatever angle you watch your Samsung monitor, you will enjoy a full visual experience with amazing picture clarity. So, start seeing your favourite

movies and other multimedia in total comfort and without limitations thanks to Magic Angle.

Upgrade to the next level with Mega Dynamic Contrast
Experience amazing new levels of colour, brilliance and picture quality through the very latest in Mega Dynamic Contrast Ratio. Samsung SB370 (HDMI) Monitors deliver images so real-to-life that it will transform your whole viewing experience. Packed with breathtaking 5,000,000:1 contrast ratio, the highest level currently available, the SB370 (HDMI) monitor ensures that blacks are at their absolute darkest and (with pristine whites) colours are at their brightest. You will immediately notice the crystal clear picture and its unbelievable intensity. It is like an explosion of colours and leaves other screens seeming dull in comparison. So, take your viewing pleasure to the next level with Samsung Mega Dynamic Contrast Ratio - and enjoy your multimedia content with the professionalism it deserves.

A monitor that you'll want to touch
Showcase your sophisticated style with the uniquely modern design of the Samsung 3 Series Monitor. Samsung's patented Touch of Colour exterior design draws inspiration from the elegance of nature and features hints of colour that are seamlessly blended into the piano-black finish of the frame. As your eyes move around the frame, watch the highlighted colours slowly change. Transforming our already stylish monitors into a work of art, it truly is unlike anything you've ever seen. For even greater visual appeal, the Crystal Neck elegantly supports the entire frame to give a weightless appearance.

Specifications:

Display
