Specifications

Features:

Stylish Design
A sophisticated design and practicality. The Samsung Galaxy Tab 4 (10.1") has it all. Its sleek design is accented by a luxurious back cover with a leather-like texture that adds a premium feel and classic look.

Rich multimedia experience
The 10.1" 16:10 WXGA(1280 x 800) screen provides a crystal clear view. "Multi Window" multi-tasking lets you watch movies, check e-mail, shop online, and chat with friends on a single screen. A 1.2GHz quad-core processor keeps everything running smoothly.

Content Sharing with friends
Group Play allows you to share your favourite media and have fun with friends. Connecting your devices lets you share screens, listen to music, play games, and view photos together.

Seamless phone connectivity
With the SideSync function, the border between tablets and smart phones disappears. By connecting two devices, you can view your phone screen on your Galaxy Tab 4 (10.1"), transfer data, and copy and paste text easily between your phone and tablet.

Content sharing across devices
Share content across all of your devices by connecting them with Samsung Link. Just log in to your Samsung account and all your music, movies, images, and documents from other supported devices will be available on your Galaxy Tab 4 (10.1").

Productivity on the go
View Word, Excel, and PowerPoint documents on the go with Hancom Viewer on your Galaxy Tab 4 (10.1"). If you want to edit your documents, simply download the Hancom Editing Tool from Samsung Apps.
