Specifications

Overview:

The Samsung F5000 Series 5 LED TV offers incredible value, with stunning Full HD picture quality boosted by the Picture Noise Filter. Clarity and detail are also enhanced by the Wide Color Enhancer Plus. And with the ConnectShare USB Movie, you can also access all your movies, music and photos on USB storage.

Features:

Discover a new reality in Full HD
Enjoy a greater level of home entertainment realism than ever before. Thanks to a resolution twice as high as standard HD TVs, your Samsung Smart TV delivers a breathtaking viewing experience that takes you beyond the screen into a world of total immersion. When you've seen the rich and vivid texture of Full HD images, your favorite TV programs and movies will never be the same again. Discover reality with a full high definition experience.

Watch movies from your USB
With ConnectShare Movie, simply plug your USB memory drive or HDD into the TV and instantaneously enjoy movies, photos or music. Now, you can experience a wide variety of content in the comfort of your living room on your TV.

Filtering noise for added TV viewing pleasure
Experience crystal-clear programming from your TV with Samsung's Clean View. By applying Clean View's auto noise-removal technology, it removes digital and analog noise that is seen on the screen. The Analog Noise Filter enhances the picture quality by deleting visual noise from both air and cable sources. Sit back, relax and watch TV with the best clarity.

More vibrant colors for better images
Using an advanced picture quality improvement algorithm, Samsung's Wide Color Enhancer Plus drastically improves the quality of any image and uncovers hidden details. Now see colors as they were meant to be seen with Wide Color Enhancer Plus.
