Creative Sound Blaster Recon3D Fatal1ty Champion PCI Express Sound Card & Breakout

## Product Overview

Creative Sound Blaster Recon3D Fatal1ty Champion PCI Express Sound Card & Breakout

## Specifications

**Features:**

- The next-generation pro-gaming sound system: Sound Blaster Recon3D Fatal1ty Champion is the ultimate pro-gaming sound card powered by Sound Core3D™, and it heralds a new age in 3D gaming audio and online voice communication. Hardware-accelerated THX TruStudio Pro audio technologies deliver unsurpassed audio playback quality, while the innovative CrystalVoice™ processing, coupled with the included beamforming microphone, gives you the edge in multiplayer games with crystal clear vocal fidelity.
- Engineered for low power consumption and high performance, the Sound Core3D processor is Creative's first sound and voice processor to integrate a quad-core high-performance digital signal processor (DSP) and high-quality converters onto a single chip.
- The sound card is shielded in a specially designed casing and comes together with the I/O Drive to give you convenient access to headphone and microphone inputs, as well as volume and THX TruStudio Pro controls.
- Endorsed by Fatal1ty: Chosen by professional gamers, certified and tested to achieve peak gaming performance.
- Powered by Sound Core3D™ quad-core audio processor: The revolutionary Sound Core3D Audio and Voice chipset accelerates THX TruStudio Pro and CrystalVoice processing effects, drastically improving your gaming experience with faster

frame rates, more immersive gaming audio, and crystal clear voice communications

- THX® TruStudio Pro™ technologies: THX TruStudio Pro sound technologies create unprecedented levels of audio realism, including stunning 3D surround effects for your speakers and headsets.
- CrystalVoice™ voice enhancement and clarity technology:Express yourself and be heard clearly in video conferencing, multiplayer games and online chats.
- Understand how CrystalVoice™ technologies work.
- Dolby® Digital Live encoding: Dolby Digital Live encoding allows you to connect to your decoder or home theatre system through a single TOSlink for compelling 5.1 surround sound.
- Dedicated high quality headphone amplifier: Supports studio quality headphones and headsets of up to 600 ohm impedance.
- Scout Mode™ - Hear them before they hear you: This proprietary technology allows you to hear your enemies from further away, giving you a distinct tactical advantage in combat.
- Sound Blaster beamforming microphone: When used with CrystalVoice™ Focus, the included stereo microphone creates an acoustic zone and suppresses noise outside it, enabling you to be heard with amazing clarity.
- Works with Windows 8: We have updated audio drivers that will allow you to enjoy the ultimate in Sound Blaster performance in Windows 8.
